

Welcome to the Recovery Associates Group!

Thank you for taking the time to explore our program and services. We are a leading outpatient behavioral health treatment center that provides specialized care to children, adolescents, and adults who are struggling with mental health, substance use disorders, and co-occurring disorders.

Our program has been a long-standing resource in the community, constantly evolving over the years to ensure we provide the best care possible. Our website offers comprehensive information about our program, but it's my hope that this message gives you a sense of how dedicated our clinical team is to offering a safe, secure, and supportive environment for your healing process.

We understand that seeking treatment is often a difficult decision, but we commend you for taking the first step in exploring your options. If you choose our program, you'll be working with highly skilled and experienced professionals who are not only experts in their field but also deeply compassionate and committed to your recovery.

Joining our program means becoming an integral part of our vibrant and supportive community, dedicated to preparing you for lifelong healing and recovery. From the moment you enter treatment, and even long after you've achieved your goals and objectives, you'll remain a valued member of the Recovery Associates Group family. We strongly encourage you to participate in our continuum of care to ensure sustained growth and progress.

We appreciate your interest in our program and invite you to complete our new client inquiry form or give us a call directly at 901-590-4106 for more information on how we can best serve your needs.

Many Blessings to you,

Dr. Scherri Culp
