EVENT EXPERIENCE: WHAT THE NIGHT LOOKS LIKE

➤ United Natives is being recognized as “Nonprofit of the Night”.

➤ This event begins a historic partnership with the Las Vegas Aces as we build toward an official annual Native American Heritage Night celebration.

➤ Native American Women Warriors (NAWW), an all-veteran Native women’s honor guard, will serve as the official Color Guard.

➤ A portion of every ticket sold, supports United Natives youth Sports/STEM access, and national mental health outreach.

REPRESENTATION MATTERS

Fewer than 0.5% of athletes in the NBA, NFL, NHL, and MLB identify as Native American or Alaska Native.

Sports exposure to opportunities that build pipelines for the next generation.

IMPACT 365 DAYS A YEAR

United Natives has curated partnerships that give Native Youth access to sports & STEM.

We host youth sports camps with a focus on mental health, suicide prevention and bullying awareness.

We provide free telehealth counseling to Native youth in select states.

We produce “Native American Heritage Night” with the Arizona Cardinals & the Las Vegas Aviators to promote Indigenous visibility.
