Fall 2021 marks United Natives' Inaugural Charity Golf Tournament. As the start to a new tradition for our non-profit organization it is our goal, with the support of our players, sponsors and volunteers, to raise funds while having fun under the Arizona sun to support the ongoing efforts for Native American communities.

United Natives has collaborated with multiple organizations and programs to provide our services for Native Americans across the nation.

COVID-19 has had a profound impact on all of our lives. One of the biggest challenges for our community has been a rise in mental illness, substance abuse and the overall adverse health of our community members. However, COVID-19 has not eliminated the United Natives commitment and efforts to support local communities. We welcome you to become partners with us in improving our community by golfing, sponsoring, and/or donating.

Please refer to the details on the following pages regarding each sponsorship category.

Ahe'hee (Thank You)
