See attached to learn how!

# This Site Accepts Electronic Referrals

If your practice has not yet transitioned to electronic referral, we encourage you to get set up today (free of charge).

With eReferral you can enjoy the following benefits:

- Stay up to date via referral status updates in your EMR and by e-mail
- Patients can choose to receive e-mail notifications with referral status and appointment details
- Send referrals from within your EMR, with patient information auto-populated
- Discover services and programs to refer to using the map-based directory

“ Knowing that documents have been received and the referral is in progress is important to us (physicians and patients) and all our staff ”

Primary Care eReferral User

## Get On eReferral Today!

Getting set up is quick and easy. The System Coordinated Access team will provide you with hands-on training and solution set up.
