

Bruce Edward Abraham - 1946-2006

Captain Bruce Edward Abraham Born February 4, 1946 in Bakersfield, California and passed away peacefully in his sleep on October 8, 2006. Many friends share a great loss from his sudden passing. We all have vivid memories of Bruce's fine wit and social criticism. In his career as a professional seaman he rose through U.S. Coast guard examinations to attain an Unlimited Masters license. Bruce was involved for many years with Greenpeace activities and served as 3rd mate on the Greenpeace vessel "Rainbow Warrior". He had extreme adventures all over the world and met life at full force. He held his beliefs dearly and lived a courageous life of environmental and political activism. William Blake wrote "In the universe, there are things that are known, and things that are unknown, and in between, there are doors". Bruce never bothered to knock! He was plainly

and simply an unforgettable character. And so, as he would say when leaving on his voyages: "TA-TA" Please sign our Guestbook at Howden-Kennedy.com. Published in The Seattle Times on November 1, 2006

Our Heroes

You held our hands
When we were small
You caught us when we fell
You're the heroes of our childhood
And our later years as well
And every time we think of you

Our hearts still fill with pride
Though we always miss you Mom and Dad
We know you're by our side
In laughter and in sorrow
In sunshine and through rain
We know you're watching over us
Until we meet again..

Patricia Carol Self (Batesel) – 1944-2023

Bakersfield - An only child until her baby brother was born when she was 16, Patricia Pat Self dreamed that one day she would have a big family to put at the center of her life. On December 28, 2023, the large, loving family that she had dreamed of when she was young surrounded her as she passed away at her Bakersfield home.

Born in Wichita, KS, to Orville Arthur Batesel and Lela Fay Batesel, Pat Batesel grew up mostly in Bakersfield. A proud East High Blade, Pat bragged about attending every football game except one. She doted on her baby brother, Mike, and didn't mind that he often tagged along beside her, including on her first date at a drive-in movie theater with a guy named Burrell. The date apparently went well because the two were married on October 18, 1970.

Pat and Burrell started their family soon after, welcoming two sons and two daughters. Before becoming a full-time homemaker, Pat worked for Contel for nearly 18 years. Eventually, she returned to the workforce as a clerk for the Bakersfield City School District before retiring in 2006.

Travel was a lifelong passion for Pat. In fact, she always kept a toiletry bag packed for road trips, and would drop everything to accept a last-minute invitation, even if the destination was just the next town over. However, as her children would point out, for someone who loved the open road, she sure hated driving. Her favorite place on earth was the beach, where she enjoyed watching her grandchildren play.

Pat also took great pleasure in hosting birthdays, anniversaries, weddings and more at her home, which became the central hub for extended family gatherings over the decades. She would work all day in the kitchen cooking and baking, never asking her daughters for help, and loving every minute of it. She adored her many nieces and nephews and her bright blue eyes would light up when they popped by to say hi to Aunt Pat and Uncle Burrell.

The happiest moments of Pat's life came when each of her 10 grandchildren was born. She was such a devoted grandmom that it was rare to see her missing from the stands at their functions and sporting events. She would bake their favorite cakes or her famous brownies for birthdays, and at Christmas, she would make the best spread of goodies. One of her proudest achievements was printing out her photos and providing names and dates on the back so that this important family history will never be lost.

Pat is survived by her husband Burrell; children Lance Tucker Self (Amanda), Justin Self (Misty), Dawnelle Boardman (Robbie) and Vickey Piper (Jeremy); grandchildren Samantha Mayfield, Kaitlyn Boardman (MaKenna), Sierra Self, Breanna Hutchinson (Avery), Savannah Self, Brandon Self, Brandt Self, Dylan Boardman, Brady Self and Adisyn Piper; brother Mikeal Batesel (Vivian); niece Krista Day (Travis); and numerous nieces and nephews and great-nieces and great-nephews, whom she loved dearly.

She was predeceased by her parents Orville and Lela Batesel; nephew Sean Mikeal Batesel; Aunt and Uncle Robert and Roberta Morrow; and in-laws Bill and Clara Self.

A memorial service for Pat will be held at 1 p.m. on February 17, 2024 at 19227 Flightpath Way.

He Only Takes the Best

God saw she was getting tired. A cure was not to be.

So he put his arms around her and whispered: "come with me."

With tear filled eyes we watched her suffer and fade away. Although we loved her deeply, we could not make her stay. A golden heart stopped beating, hard-working hands put to rest

God broke our hearts to prove to us, He only takes the best.

Amen! Published in Bakersfield Californian from May 2 to May 3, 2017

Owen Chappell - 1945-2025

Mr. Owen Thomas Chappell passed away on June 18, 2025, in Bakersfield, California, at the age of 80. Born on May 13, 1945, in Chickasha, Oklahoma, Owen lived a life marked by service, dedication, and a deep appreciation for both people and the natural world. Owen graduated from East Bakersfield High School in 1963. Shortly thereafter, he enlisted in the United States Air Force and served his country with honor during the Vietnam War. From 1963 to 1967, he was stationed overseas in Japan as an Airman Radio Operator. His time in the military left a lasting impression on him and shaped many of his values throughout life.

Following his military service, Owen pursued higher education at Bakersfield Junior College, where he earned an Associate of Arts degree in Accounting. This foundation led to a long and varied career in accounting across California. Among the many places he worked, two stood out as his favorites: Chevron-where he began his professional journey-and Yosemite National Park-where he concluded it. In addition to his corporate roles, Owen also spent about a decade running his own property management business.

Owen had a lifelong love for sports and the outdoors. He was an enthusiastic tennis and baseball player and rarely missed a football or basketball game on television. A devoted Raiders fan, he also enjoyed watching NASCAR races. His passion for nature led him to explore numerous National Parks over the years. His time working at Yosemite just before retirement was especially meaningful to him; it combined his professional skills with his love for the outdoors.

Faith played an important role in Owen's life. Though raised in a Southern Baptist Church and stepping away from regular attendance during his early adult years, he returned to church life when his daughters were young. He became active at First Assembly of God in Bakersfield-

singing in the choir, volunteering at events, playing on the church softball team, and engaging deeply with scripture through daily Bible reading. He was known for having thoughtful conversations with those around him and sharing encouragement wherever he went.

Owen is lovingly remembered by his two daughters, Tracy Guest and Cari Holt; three grandsons-Philip, Toby, and Gideon Guest; and his brother Doyle Chappell. He was preceded in death by his parents Claude and Millie Chappell; two brothers Crandel Chappell and Darrell Chappell; and sister Franceal Rowell.

Owen Thomas Chappell leaves behind a legacy of quiet strength, enduring faith, and heartfelt connection with others. May his memory bring comfort to those who knew him. A Funeral will be held on June 24, 2025, from 09:15 AM to 09:30 AM at Bakersfield National Cemetery 30338 East Bear Mountain Blvd in Arvin.

Jim Chumley - 1945-1962

"The mother of Bakersfield's first football fatality victim today defended the sport and urged that other mothers and players not let the accident influence them against it. The statement of Mrs. James Haley followed the death of her son, James Chumley, Saturday afternoon in a Bakersfield hospital. "The 17 year-old East Bakersfield High School senior suffered a head injury in a tackling drill Wednesday and never regained consciousness, despite emergency surgery Wednesday night.

"Chumley, a 140-pound member of the East High class B squad, was starting his fourth season of football at the school. He collapsed after making a tackle. At the time, he was wearing a new leather helmet. "His mother revealed that he told her Tuesday night he "had hurt his head and had a stiff neck" after practice that day but did not think it was serious. Like all other players in the district, he had to pass a physical examination before being allowed to tryout for the team. "Mrs. Haley said her son had suffered a concussion from falling out of a car when he was 9, but had suffered no ill aftereffects of this in football. She also reported that attending physicians said the concussion had nothing to do with his death.

"The grief-stricken parent said that her son was "a little guy" but the only thing he wanted was to play football and grow up to be a man. "The biggest concern of the family and myself," Mrs. Haley said, "is that other mothers not stop their sons from playing because of this. We feel that what happened was an unfortunate accident, a one-in-a-million chance.

"Football was Jim's whole life, and if I had the chance, I'd send him back on the field tomorrow. I think his happiest moment probably was when he made that last tackle. Football is a good, healthy sport, and I hope and pray that what happened to Jim won't stop other mothers from letting their boys play," she said. Besides the parents, survivors include two sisters, Carolyn and Maria." [From the Bakersfield Californian.] Jim was born April 23, 1945 in California and died in Bakersfield September 8, 1962.

"Funeral services will be held and interment will be in Tulare, birthplace of the victim. According to school district sports commissioner J. B. (Cap) Haralson, it was the first death in the history of Bakersfield and also Kern County football teams. Chumley was the nations sixth prep grid fatality of the year.

Bonnie M. Allen (Curtis) – 1945-2024

Bonnie was born February 22, 1945, to Francis and Bettie (Hutchison) Curtis in Taft, California. Francis later married Frances Marie Davis who became “Mom” to Bonnie. Always a diligent worker, Bonnie had quite an assortment of jobs over the years. At the age of nine, she helped her Uncle Joe in the fields spreading manure, and at 13, worked for \$1.00 an hour, taking ropes off cattle. Her sophomore year at East Bakersfield High School, Bonnie worked for Farmers Insurance, answering phone calls, and working in the office. In her mid-20’s Bonnie worked for Kern Rug, then with her sister Judy at Motor City, managing the switchboard and taking care of inventory control. Among other occupations, Bonnie was at one time a bookkeeper for Watson Real Estate. She also enjoyed working in oilfield services, and for North Kern Machinery, West Kern Machinery, D.M. Camp and

Sons, and a favorite job, John Deere.

At the age of 16, Bonnie could be found racing her first car, a 1953 Ford, on private back roads and Chester Avenue. While she never got a ticket for racing, she did get her first ticket for running a stop sign at a dead end! In everything she did, Bonnie had only one speed – fast. Bonnie married Michael Ray Hinds in 1963. Together they had two children, Ron Hinds and John Hinds. Among other family activities, they all enjoyed riding motorcycles.

In 1983, Bonnie met Jay Allen at the Funny Farm, a place for dancing and dance lessons. Encouraged by her friend Carol, Bonnie taught Jay to dance. After four months, Bonnie and Jay went to Las Vegas where they were married on June 25, 1983, a marriage which lasted 25 years, until Jay’s death in 2008. They moved to Taylor, Texas where Bonnie studied real estate and achieved her Texas Real Estate license, while

also working at Sears. In 1985, they moved back to Bakersfield (Bonnie hated the Texas bugs) where she obtained her California Real Estate license.

For a number of years, Bonnie was also conservator, and took loving care of her cousin, JoJo, who was disabled from birth. Bonnie was not impressed with retirement, and in 2015 began working at Doughty-Calhoun-O'Meara, where she remained until her health prevented her from working any longer. Her desire, and that of her co-workers, was for her to be able to return to work, but sadly, that was not to be.

Bonnie is survived by sons, Ron (Kathy) Hinds and John Hinds, four grandchildren, eight great grandchildren, nieces, nephews, and friends. Bonnie was also a loving grandmother to Jay Allen's grandchildren.

Services will be held Friday, August 9th at 9:00 a.m. in Hillcrest Chapel, followed by a graveside at 10:00 a.m. Following the graveside there will be a Celebration of Life at First Missionary Baptist Church, 1421 Wilson Avenue, Bakersfield, 93308.

Marsha Sandra Barnett (Frakes) – 1945-2013

Marsha Sandra Barnett December 29, 1945 - July 29, 2013 On July 29, 2013, Marsha Sandra Barnett answered the call to return home due to the effects and complications of long-term diabetes. She began her life's journey on December 29, 1945 in Bakersfield, CA with parents Clara and Myles Frakes and big sister, Maureen. She attended local schools and graduated from East Bakersfield High School. When Marsha and Mo were very young, their mother was diagnosed with TB and sent to a hospital in Tehachapi for an extended amount of time. How hard it must have been for two little girls to know where their mother was, but not get the daily love that they missed so very much. Marsha, claimed she spent most of the time her Mom was gone staying away from the watchful eye and always present switch of caretaker, Little Granny Frakes! When Marsha, was 10 years old, she was diagnosed with Type 1 Diabetes and the life as she knew it was forever changed. At first, she would

go to a neighbor's who was an RN to receive her shots, but Marsha's strength and determination to take control of her disease began, and she learned how to administer her own insulin and manage her diet. That discipline remained throughout her whole life and she would be an inspiration to all who fight this debilitating disease. When Marsha was 13, younger sister Monica was born to complete the family. Never one to sit back and feel sorry for herself, Marsha worked hard at various jobs. She lived and worked on a horse ranch riding and caring got paint horses, was a vet tech for Dr. Zachary, received her certification in Phlebotomy, and clerked at a feed store. She would often joke that the hardest job she ever had was working at Smith's Bakery, and understandably so! Marsha was also an excellent cook and homemaker. Her life-long love of animals was known to all. She was never without a dog to keep her company, care for, and love. Marsha was predeceased by her parents and sister, Maureen Cunningham. Those left behind to mourn her loss are son, Stanley Barnett of Arkansas; grandchildren, Missy, Kevin and Sandra; sister, Monica Garcia; nieces, Stefanie and Miriam; nephews, Keith and Christopher; and long-time companion, Bob (Bubba) Koelzer. Also, dear to Marsha's heart were best girlfriends, "Aunt" Marie Sampson, Karen Hendricks and Gwen. Marsha was also loved, and will be missed, by Bob's extended family. Rest in peace, Marsha. May you know that your family and friends derive great comfort in believing that your body is once again whole and free from disease. Graveside services will be held on Friday, August 9, 2013, 10:00 A.M., at Union Cemetery, 730 E. Potomac Ave., Bakersfield, CA. Laura Ann McClintock (Hay) – 1945-2007

Laura Ann Hay McClintock, 62, of Bakersfield was born September 4, 1945 and died quietly at home surrounded by family and friends on September 6, 2007. Laura was the youngest child born to Gerald and Viola Hay on September 4, 1945. Born into the pioneer Hay family of Bakersfield, Laura was lucky to spend her early years in the Alta Vista area playing with her cousins and spending summertime at the Hay cabin at the Jack Ranch. Riding horses with her friend Anne Lundy was a pastime she loved and passed to her daughter, Sally. Laura attended Longfellow Elementary and graduated from East Bakersfield High School in 1963. Little did she know that her true love graduated that same year in her class! Laura went on to attend Bakersfield College and the University of Colorado but her true career was keeping up her home and loving her family and friends. In 1983,

Laura married the love of her life, Rod McClintock, whom she had known throughout grade school and high school. Rod teases that she went so far as to date one of his college roommates to get close to him! In their 24 years of marriage, they brought together a close family of four children and many extended family members. Cooking was a favorite hobby for Laura and a great part of our family memories are those of time spent around the dinner table. Summers in Pismo were a highlight for her that included beach time, naps, dinners at Giuseppe's and many glasses of wine. Laura took several trips that included Europe, Hawaii and a "girl's only" vacation to colonial Williamsburg with her good friend, Lynne Sill. Throughout her life, Laura made deep and long-lasting friendships. She kept in touch with all those she loved and always found time for those who needed her most. One special group in her heart was the Liberty Patriots parents group whom she got to know while her son, Kyle, played football. Many a Friday night were spent in the bleachers cheering on the team with great laughs. This group has stayed the best of friends ever since. During the past few years, Laura renewed her faith and returned to St. Francis Church, always sitting in her favorite spot to hear mass said by her dear friend, Father Craig Harrison. Her faith and the unending support of all those who loved her allowed her to bravely take on the journey through cancer to her final destination. Laura is survived by her husband, Rod McClintock, and family: Joan Van Alstyne and husband, Steven of Bakersfield, Sally Parks and husband, Mike of Bakersfield, Myriah McClintock of Ventura and Kyle McClintock of Bakersfield. In addition, Laura was looking forward to her first grandchild to be born in March. She is also survived by her brother, Roger Hay of Bakersfield and his family. In addition, Laura leaves behind many cousins and their families. Laura was preceded in death by her parents and sister, Joan Hay Banker. Our love and thanks go out to our family and friends who were there through good and bad times and did so much to make her time with us full of love and laughter. The family would like to extend our gratitude to Dr. Ravi Patel and the staff of Comprehensive Blood and Cancer Center for taking such wonderful care of her. Without your dedication, her

time would not have been as long or as full. Father Craig Harrison has been a gift of comfort both for Laura and our family, we are deeply grateful for all you have done for her and all that you have said to ease our loss. Family and friends are welcome to attend a Memorial Mass to be held on Monday, September 10, 2007 at 5:30 in the evening at St. Francis Church. Remembrances may be made in lieu of flowers to the American Cancer Society. This life, what a precious, brave journey. To be held dear in our hearts and kept close forever. John Edward Hodel – 1945-2021

John Edward Hodel was born to Clifford H. and Viola B. (Nikkel) Hodel in Lincoln, Nebraska on October 1, 1945, and grew up in Bakersfield, California. John passed away at home in Bakersfield on March 6, 2021.

After graduating from East Bakersfield High School and earning his degree at Golden Gate University, John enjoyed a long career as an accountant in both his own CPA practice and later retiring after ten years as an auditor with Kern County.

John was a faithful member of Bakersfield First Church of the Nazarene. He served in the 'Bus Ministry,' sharing Christ with the local community, and was active in various Bible study, fellowship, and mission groups over the years. For many years he served as a member of the Kiwanis Club (president 1992-93) and as a volunteer for the Jameson Center, for which he was given the Meritorious Service Award.

In 1984 John met Carolyn, a musician, teacher, active church member, and mother of three. She and John were married June 15, 1985. He instantly became "Papa" to Bethany, Meghan, and Cameron. He was a devoted husband to Carolyn and a loving provider to all four. John enjoyed many years of being Grandpa to Jeremiah, Dylan, Boston, and Niklas, and father-in-law to Aaron, Kyle, and Mary.

Besides being a promise keeper and servant of Christ, John was perhaps best known for his infectious laugh. You may also equate him with the words 'Dodger fan,' 'ice-cream lover,' and 'Santa Claus,' who he emulated every Christmas for many years, bringing cheer to kids of all ages. He also loved praise and classical music, sports cars, working out, games, barbecuing, and hosting parties.

John was predeceased by his wife Carolyn, his parents, and his sister Faith Yett. John is survived by his children and grandchildren, his sister and brother-in-law Gloria and Don Hall, and his nieces and nephews, Kevin, Amber, Andrew and Heidi.

We wish to say a special thank you to Dr. Amit Shah, for his many years of unparalleled care for John, and Bristol Hospice, for assisting us in giving comfort to John at home in his transition from life to rest.

Richard Kent Holden – 1945-2023

From cowboy to log-home builder to web designer to drone pilot, Richard was a man of many talents and interests, but first and last, he was a fighter. He was born to Muriel Christine (Ashe) and David Holden in Victoria, Texas near the airbase where his father was stationed. His early years were spent in location's around California while his father pursued his medical degree. The family settled in Bakersfield, his mother's hometown when he was 9.

There he forged a strong bond with his maternal grandfather, Dick Ashe, for whom he was named. In Bakersfield his four siblings were born: Doug (1955-1961), Diane (1957-2019), Donna and Debbie. In 1961, the family endured the death of his brother Doug from Leukemia and of his beloved grandfather. These two losses marked the rest of his life.

Richard graduated from East Bakersfield High School in 1963 and spent a few less-than-stellar semesters at Bakersfield College before enlisting in the army to meet his goal of becoming a pilot, not such a wise thing in the midst of the war in Viet Nam. But, that wish came true" he attended OTS and flight school before being sent to fight in Viet Nam in a helicopter. After that perilous and transformative experience, he served in Germany flying nuclear weapons around Europe, a piece of cake after Viet Nam. Richard served with distinction. His decorations include a Bronze Star, Air Medal, National Defense Service Medal, Army Commendation Medal with Valor, Viet Nam Service Medal, Republic of Viet Nam Service Medal, Viet Nam Campaign Medal, and the Army Aviation Badge. M Later in life, Captain Holden flew drones around Boise, a kind of substitute for being in the air.

During his tenure in the army, He married Karen Allison. They had three children: Mathew, Jeremy, and Anne Elise. Jeremy blessed him with a wonderful granddaughter, Leah. Anne Elise and her husband, Ben Mitchell gave him 3 lovely grandchildren: Riley, Annabelle, and Makenzie.

After discharge from the Army, Richard earned his BS in economics and his MBA from California State University, Bakersfield. He worked in various businesses around Bakersfield until he moved to Texas in 1982, where he ultimately found his way into internet technology, a field he loved.

Eventually, however, the allure of Bakersfield brought him back to California in 2002. Richard married Marci Lingo in November 2003, and together they fine-tuned their lovely home on Cedar Street. He taught computer graphic design at Taft College, Near Bakersfield, relearned to ski and had a pin in his knee to show for it, zipped around in fast cars, and reunited with his Viet Nam squadron in the Blackhawks. He had run from the pain of his experience in the war, but confronted it in this organization, which came to mean so much to him.

Upon Marci's retirement, he and Marci moved to Boise to be near family and a ski hill. Moving to Idaho helped fulfill another dream: he rode as a cowboy during the Carter Ranch semi-annual round-ups in Blackfoot. In Boise, he made wonderful friends and developed deeper bonds with his Boise family.

During his battle with cancer, he cherished the visits from friends and family. Richard also demonstrated his love of life and his optimism. Something of a dreamer, he believed he could fight the formidable odds that define stage 4 pancreatic cancer. HE wanted chemo, preferably the strongest, so he could live in this world with Marci, his family and friends, and his beloved pets. But finally, the odds against him were too great, and he lost the last of his battles on April 17th 2023 in the presence of four people he loved fiercely.

Two charities near to Richard's heart were the Idaho Food Bank and Idaho Humane Society.

John Richard Huber – 1945-2001

John died in a kayaking incident in Costa Rico in 2001. He and his son, Daniel were caught in a sudden storm. Daniel made it back, but John was swept out to sea. He was a resident of Pacifica, California at the time of his death. He had earned his Master's Degree in German and was a technical writer for Apple Computers for over 20 years. He had recently been employed by Etranslate prior to his death. He was survived by his former wife Denise, son Daniel, age 24, and daughter, Elizabeth, age 27.

The following newspaper article tells the story: "Hope fades for Pacifica man lost at sea off Costa Rica," By Chris Hunter: It's been a week since 21-year-old Dan Huber told his father, 55-year-old John Huber, a Pacifica resident, to hold on while he went to get help. The two were in kayaks last Wednesday afternoon, enjoying what many tourists to the Central American

country of Costa Rica enjoy, when the seas became rough and what is normally a 20-minute paddle from the mainland to a small island popular for its snorkeling and shell beach became a nightmare for the Huber family.

Dan Huber, a student UC-Santa Barbara, had been in Costa Rica studying Spanish. His father, a senior technical writer for Etranslate in San Francisco and a recent Pacifica resident, had gone to visit his son. The two had been enjoying a day of kayaking and snorkeling when their return trip became disastrous. Published reports have stated that it is rare for kayaking tourists to get into trouble going to the small Isla Capitan, which is about one mile offshore. But last Wednesday, April 18, after spending the day snorkeling and enjoying themselves, the weather and waves turned rough as the Hubers headed back to the mainland. "John told Dan to go ahead and go to shore," said Carla Hargrave, John's sister, in a Tribune interview on Tuesday. "He returned about an hour later with help but couldn't find John."

According to his sister, John Huber was not "in great shape," but was fit. Since last Wednesday night, Dan Huber has obviously been "upset" but is keeping busy with search activities. Although officials from the U.S. Embassy have warned that it is doubtful that Huber could have survived alone at sea for such a long time, family members are continuing to hope for the best. Both the Embassy and the U.S. Red Cross had suspended their official searches as of last Sunday, April 22 [2001].

"We'd like to offer a reward," said Carla Hargrave. "But we've been told it could confuse people. Usually they recommend waiting. They're getting so much help now. All the students from the school are helping out." The Huber family has been grateful to the massive amount of help being offered to them by the local fishing village.

The family has hired private planes to assist in scanning the water and beaches in the vicinity of the fishing village of Tamarindo, on the Pacific Ocean coast of Costa Rica. "We haven't found any evidence," says Hagra. "I don't know whether that's a good thing or a bad thing." When Dan Huber left his father to get help, the seas were getting rougher. Their kayaks were capsizing and John Huber was exhausted from the strain of righting his. Dan Huber left his father with a life jacket, a paddle and the kayak he was in. Because of the short nature of their paddling trip, they did not carry provisions. "Right after that it got dark," says Carla. "They waited until the following morning to mount the search."

John Huber had only recently purchased a condominium in Pacifica and begun living in the city within the past year. "He had been living in San Jose," said his sister, who lives in Sacramento. Shortening his commute up the Peninsula to his job at ETranslate was the primary reason Huber chose Pacifica as his new home. His son, Dan, had never lived here. Neither had his wife, from whom he is divorced. "John loved Pacifica," said his sister. "He couldn't say enough about it."

Although the outlook is indeed grim, the Huber family is continuing to keep faith that John Huber has somehow managed to avoid a watery death. "Maybe he saw Cast Away," said his sister, speaking about the popular film in which a man survived a terrible plane crash and kept himself alive on a deserted island for four years. "Maybe he learned something from Tom Hanks."

Aubrey, Gig's daughter posted this on his page when he died on July 28, 2023

"My dad passed away this morning. I wish I could speak on his last months more positively, but the reality is that he had terminal brain cancer, and his body and mind were tortured, and he suffered. In general, he was stubborn and unkind at times, but overwhelmingly hilarious and warm to make up for it. He was making jokes until he lost the ability to speak. He is my best friend, and I wish we could have known each other longer in this life, and I'm going to miss him forever!

Rodman (Rod) Lynn McClintock – 1945-2024

Bakersfield – Rodman (Rod) Lynn McClintock, of Bakersfield, California, was born on October 6th, 1945, in Los Angeles, California. He was the eldest child of Rodman and Eileen McClintock. Rod passed away peacefully on June 28th, 2024, in Bakersfield, surrounded by family and loved ones after a long and courageous battle against Alzheimer's disease.

Rod enjoyed an exciting and joyful childhood that would make any young boy envious. He spent his early years on his grandfather's "Mataguay Ranch," located northeast of San Diego. Rod fondly recounted stories of shooting guns, fishing, swimming, and even riding horseback to the bus stop during the school year. One favorite story was about dove season, when his father and grandfather would place

him in the driver's seat of a Jeep, put it in gear, and have him drive across the fields to stir up birds for the shooters. The adults would take turns chasing him down and turning him around for another run.

During his teenage years, Rod attended East Bakersfield High School, where he met many lifelong friends and the love of his life, Laura Hay McClintock. One of his greatest memories from high school was the legend of "The Pie Wagon." He and his surfing and skateboarding buddies bought an old pie delivery van and converted it into a makeshift camper, traveling along the scenic West Coast from Mexico to Big Sur during summer breaks. Their adventures landed them features in several surfing magazines over the years.

Rod epitomized the definition of a hard worker. He graduated from Cal Poly SLO after being drafted during the Vietnam War and working summers in the Forest Service to pay for tuition. After graduation, he became a teacher at Foothill High School, where he taught for 35 years before retiring in 2008. During his tenure at Foothill, he coached several sports and had a positive, lasting impact on every player who experienced his competitive, hard-nosed, yet caring coaching style. Until the day he passed, Rod was hard-pressed to go anywhere in town without encountering a former student or player who would approach him with a warm smile and a funny story. Several years after his retirement, Rod was inducted into the Foothill High School Hall of Fame, an honor he was extremely proud of and celebrated by wearing his H.O.F. ring everywhere and showing it off to anyone willing to listen.

Rod was preceded in death by his beloved wife, Laura Hay McClintock. Together, they raised four wonderful children and created a lifetime of beautiful memories with family and friends. Some of their best times were during their annual summer trips to Pismo Beach, where extended happy hours, great food, wonderful company, and deep laughter often lasted until the early hours of the morning.

Rod is survived by his son Kyle (Mallorie) McClintock, daughter Myriah (Dusty) McKenzie, stepdaughters Joan (Steven) Van Alstyne, and Sally Parks. He leaves behind five grandsons: Brady and Grant Parks, Calum and Briggs McKenzie, and Jake McClintock; and one granddaughter, Tommie Jo McClintock. He is also survived by his brother, Brian (Teresa) McClintock, and was preceded in death by his sister, Jo Anne McClintock.

Although Alzheimer's may have taken away Rod's warmest recollections, it will never rob us of the wonderful memories we have of him. His quick wit and sharp sense of humor could bring the house down, and he always prided himself on his ability to make people smile. He would take comfort in knowing that a smile will come across our faces each time we remember him.

Our family would like to send a special thank you to Olga Hall for taking such great care of our father. We would also like to thank Jethro and Cecilia Lazaga at The Trinity for your dedication to making his final journey in life as comfortable and compassionate as it could have been. In lieu of flowers, please consider making a donation in Rod's name to the Alzheimer's Disease Association of Kern County (ADAKC).

A devoted Christian, Shirley faithfully attended Fruitvale Community Church until it became Riverlakes Community Church. Isaiah 41:10 and 42:16 were among her favorite verses. Shirley is survived by her devoted husband of 46 years, C. Bruce Smith, her son Christopher, her daughter and husband, Kara and John Stephen, granddaughter Kayla Stephen, sister Carrol Thornburgh and husband George, sister Pamela Hansen and husband John, as well as her loving nieces and nephews. Dwight McGee – 1945-2014

Taken from a letter to Joy Lampe – September 5, 2016 . . .

Thank you for the information about your mini reunion. It sounds like a lot of fun. We will not be able to attend. Dwight passed away August 6, 2014.

The collage below shows many of the things he thought were important. Namely, church volunteer work, calling on shut-ins, work with the homeless and passing out food packages to the street people in our area.

His second passion was therapy dog work. We (Dwight, me, Meg and Izzy) made many visits to facilities in our area with the Love on a Leash program. At home we fostered and trained many dogs to ready them for their forever home. And of course along the way adopted some. Meg and Izzy were adopted from the Central Coast SPCA. We volunteered for many of their events, especially Santa Paws. Have your dogs photo taken with Santa, our number one fundraiser every year. I deeply miss him.

I want you to know he was very active until his last week. He fell on July 30, 2014 and fractured C4/5 vertebrae. It was so sudden and crushing for us. He was unable to move and on August 6 his body could take no more. I know he is a guardian angel because all he ever talked about and planned his life for was helping others. I am so blessed to have 46 years as his wife and soul mate. We always had fun together which helped us tackle the problems of life. The best part is I am looking forward to our eternal future together. I can't wait to see what he is doing. I know God is using him in wonderful ways.

Jan McGee for my beloved Dwight.

Linda Tatum (McMahon) – 1946-2008

Linda L. Tatum was born January 29, 1946 in Bakersfield CA. She went to be with her heavenly father on December 18, 2008. Linda married the love of her life, Robert D. Tatum on September 20, 1963. She was a loving wife, mother, grandmother, and a wonderful friend to all who knew her. Linda fought a courageous battle with cancer for six and a half years. She handled her illness with grace, dignity and beauty. She was always willing to share her deep love of the Lord, she made everyone feel special and was always there to encourage or lift up others. Her favorite saying was, "A merry heart maketh good like a medicine." Linda was preceded in death by her father, Dexter H. McMahon. She leaves behind her husband of 45 years, Robert D. Tatum; her daughter, Michele R. Sherer; and son, Roderick D. Tatum and his wife, Leah Tatum; her five precious grandchildren, Ashlyn Sherer, Tatum Sherer, Brandon Tatum, Christian Tatum, and Jamieson Tatum. She also leaves behind her loving mother, Glendalene McMahon; brother, J.B. McMahon and his wife, Jan McMahon and numerous aunts, uncles, nieces and cousins. During her illness her family was overwhelmingly cared for, loved and supported by her special friends. We would like to say a special thank you to Richard and Marsue Williams, Nancy Wooden, Sandra Oxford, and the angles at Odyssey Hospice. Thank you Jonah, Danielle and Carrie. Even though she was taken home much too early, she lived her life as a pillar for Christ. She held her values in high regard and for those of us she loved, she did it with intense vigor. No one who has crossed her path has not been stamped with a footprint on their heart. There will be a memorial service Monday, December 29, 2008 at 5:30 p.m. at Bakersfield First Assembly of God, 4901 California Ave. For additional information, contact Basham Funeral Care at 873-8200. Chriss Miller – 1945-2025

It is with a heavy heart, and perhaps a well-chilled glass of white, that we say goodbye to Christine "Chriss" Doyle Miller, who left us on August 16, 2025. Born in Bakersfield, California on July 9, 1945, she was a true Bakersfield native who graduated from East High Class of '63.

Chriss eventually made her way to the Bay Area, where she finally settled in the heart of wine country, Sonoma. There, she lived out her days with her feline companions, Bubbles and Bob. A dedicated professional, Chriss spent 20 years at Bank of America before finding her true calling as an Administrative Services Tech for the Marin County Department of Health Services—Children's Mental Health. She retired in 2017, ready to embrace the good life. And embrace it she did. Chriss was a woman who knew the importance of a good vintage and the restorative power of a spirited water aerobics class at Sonoma Fit.

She is reunited with her parents, Bakersfield Municipal Court Judge Doyle Miller and Janette Miller, and her two younger sisters, Valerie and Jeanie Miller. Chriss was a devoted aunt and great-aunt, and her memory will be cherished by her surviving nieces, Daunya Richfield, Mercedes Thayer, and Leona Miller, and her nephew, Steve John Mondini, along with all her great-nieces and nephews.

Chriss will be deeply missed by all who knew her. The family wishes to thank everyone for their heartfelt condolences and for their contributions to her "Wine in the Afterlife Fund." It seems fitting that even in passing, Chriss' spirit could lighten the load for those she left behind.

To honor Chriss, we invite you to do as she would have done: make a donation to your local animal shelter, plant some beautiful azaleas, and raise a glass of good wine. She'd love that.

Lynette Mary Stanley (Romley) – March 6 1945 – May 6, 2019

Lynette Mary Stanley was born on March 6, 1945 in Bakersfield, California to William (Bill) and Marguerite Romley. Lynette passed on May 6, 2019 after a courageous battle with cancer at the age of 74. Lynette is survived by her husband of 52 years, Tom Stanley, her son and daughter-in-law, Brent & Kim Stanley and son, Scott Stanley. She is also survived by two granddaughters, Lauren & Allie Stanley.

Lynette graduated from East Bakersfield High School and Bakersfield College. Lynette worked at Coffee's men's store after Tom & Lynette were married. When Brent and Scott were born, her focus became on being a mother. She spent many years volunteering in her sons' classrooms and activities. She fondly worked as a teacher's assistant at Franklin Elementary School, where she made many lifetime friends. Over the years Lynette was a Den mother for Cub Scouts and president of the school PTA. When the boys were older Lynette went to work at Jim Burke Ford. She worked in various office roles before her retirement from Jim Burke Ford after 22 years.

Lynette's biggest love was her family. Anytime family and friends could gather were precious times that made Lynette happiest. Lynette was a true friend that was always willing to lend a hand when others were in need. Lynette had many affectionate nicknames that included, "Lynettey," "MaBuzz," "Mama Stanley." Lynette was a mother to not only her children but often was a mother figure to others around her. Friends of her sons would often be invited to come over for dinner and were expected to share what was going on in their lives at the dinner table. Her amazing cooking and loving nature often had friends joining the family for dinner. When told that her food was great, she would always say, "I am not a fancy cook. I just cook simple good recipes." Many knew of Lynette for her unique flakey crust cinnamon roll. She would donate cinnamon rolls to charity events and always be surprised by how much they went for.

Lynette's cherished name was "Grammy" to Lauren and Allie. Together they enjoyed making many special recipes and baking cookies with Grammy. Lynette passed on her love of baking to Lauren & Allie who continue to bake whenever they have time. Lynette was known to always have stories and photos of the girls to share with others.

Lynette enjoyed getaways to Pismo beach, where she always enjoyed walking in the sand and the cool weather. Stanley family trips to Huntington Lake were also cherished by her.

Our family would like to thank the staff at Kern River Transitional Care for their loving care for Lynette and support for our family during this difficult time. Thank you to Tom & Lynette's neighbors for all you have done for them through this journey.

Services for Lynette will be held at the Bakersfield National Cemetery (30338 E. Bear Mountain Blvd Arvin, CA 93203) on Wednesday May 22, 2019 at 10:45am. Kenneth Robert Schuricht – 1945-2013

Kenneth Robert Schuricht September 5, 1945 - March 23, 2013 Kenneth Robert Schuricht was born on September 5, 1945 in Los Angeles to Walter and Alma Schuricht. He graduated from East Bakersfield High School in 1963. In 1970 he graduated from Cal Poly at San Luis Obispo. Ken's degree in Print Management brought him to the Pacific Northwest where he worked for many years with United Graphics Inc. In time Ken was transferred to another division, Bank Check Supply. He was ultimately promoted to plant manager and then to the position of General Manager of the Central Division. His work took him to new places over a period of many years, including Centralia, Walnut Creek and Memphis. Ken finally made his way back to Seattle where his last printing job was with Heath Printers. In May 1989 Ken met his future wife, Mary Hall, on a blind date which

had been arranged by mutual friends. They were forever after together and were married in June, 1991. Early on in their courtship Ken talked about his dream of having a hardware store in the country. They never let that vision leave them and they purchased Winslow Hardware in October 1994.

Ken and Mary loved fixing up the old store and renamed it Winslow Hardware and Mercantile. Ken loved helping people with their projects, always taking time to make sure that they got the right answer. If he wasn't sure, his quick and fine intelligence helped him to create a solution. During the hardware store years, Ken and Mary travelled to many hardware shows throughout the United States and never tired of meeting new people and learning new things. In 2005 Ken closed the hardware store and went to work with Mary at Winslow Paint Company, which they had opened in December 2001. Again they put their passion into helping people and in living their lives together. Ken loved to travel. In his last days on this earth he told Mary that he had wished that they could have done more. He was fortunate to make several trips to Japan and New Zealand. They also had special memories from time spent in Greece, Spain, France, Australia and Fiji. Ken was a passionate cyclist, riding the hills of Bainbridge Island with his dear biking buddies. He rode the Seattle to Portland bike ride (STP) several times, often completing the ride in one day. He rode Ride the Hurricane, the bike ride to the top of Hurricane Ridge in 2011, and in the spring of 2012 he and his biking friends drove to California and followed the Tour of California, riding many of the stages ahead of the professional cyclists. Ken and Mary lived a quiet personal life with one another and with their close circle of friends. He spent many hours walking the beach at Hawley Cove, finding treasures and throwing the ball or the Frisbee for one of their golden retrievers. Ken and Mary moved into their dream home in November 2003 and shared that beautiful space until they retired from the paint store in June 2012. In those years he was happiest when he was working on a home project, his table saw out and his radio tuned to the Seattle Mariners. He also took up cooking and perfected not only his lasagna recipe but was able to fulfill the dream of having a "deep pit" barbecue that he built to cook his birthday dinner roast. Ken loved spending time with his four grandchildren who would call out to him in a melody of young voices, "Poppy" or "Poppa."

In August 2012, two months into retirement, Ken was diagnosed with a very aggressive form of multiple myeloma, a bone cancer. He was always upbeat and optimistic until his final days, continuing to provide comfort to those who were trying to comfort him. He was surrounded with family and friends in his final days and we continued to love him until the very end.

Theron S. Taber – 1945 – November 2016

Theron "Buzz" Taber was in the Republic of the Philippines when he passed. Our best guess is that he was living in the Visayas region of the Republic of the Philippines – most likely in the city of Dumaguete on the Island of Negros. This region is in the middle of the Philippines.

My remembrances of Buzzy are all terrific. He was a distance swimmer extraordinaire – a scholar (Gold Seal Winner), and an all-around great guy. Our best conversations were in the cafeteria – where things were relaxed, and yet busy all the time. I sat with he, Dick Holden, Harry Wetzler and Larry Brown often. Dick remembers him telling the story about talking with a Navy recruiter about serving on a PT boat. The recruiter told him they didn't have PT Boats anymore, a which point Buzzy informed him that he was no longer interested in the Navy. I invite all his "buds to share their stories.

Note: The following is from his family. Much of the commentary is in the language of Visayan, so take what you can get. I tried to get brother Jeffrey (also a swimmer and friend of Buzzy) to translate. His wife, Sandra could not translate, as she only speaks Tagalog.

Niece, Tinaco Roselyn writes :

"You sacrifice and work hard for us. Your love towards our family is unconditional. Though you were not allowed to travel because of your condition but then again you choose to be with us until your last breath.. Your memories tito will be kept in our hearts forever. We love you tito buzz. I know God has a greater plans for you out there...."

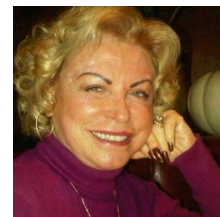

Nephew, Rolando Tinaco writes in Viisayan (Some translation is in the text):

Ang buhay nang tao sama sa adlaw nga adunay pag subang og adunay pag salop. Angg buhay nang tao usahay may kalipay og adunay kagul sa panahon karon kami nakatagamtam og kagul anan sa pag salup sa kinabuhi sa akong brother in law nga usa ka foreigner apan nag pasalamat kami sa ginoo og sa akong brother in law nga luyo sa iyang gibating balatian sa America mas gipili niya ang makasama ang Tinaco family sa kahuli hulihan sa iyang kinabuhi. Kaya nagpasalamat kami ni Mr. Theron Simeon Taber wherever you are we are proud of you and we love you. Thank you so much Tito Buzz. May you Rest in Peace.

Patrick "Don" Vega - 1945–1980

Don was born in Kern County one St. Patrick's Day, March 17, 1945. After leaving East High, he attended Bakersfield College. On August 15, 1965, Don married Beverin Elena Ennen an East High alumni, class of 1964. He served in the Army from 1966 to 1969, assigned to the infantry. During the time he served in combat in Vietnam, he was wounded and awarded the Purple Heart.

At the time of his death, Don was an 11-year veteran of the Bakersfield Police Department. He received several letters of commendation during that time. He was well liked and respected in the department. He was soft spoken, very competent and very professional," said Capt. Ed Miller. "He worked long hours and was devoted to his profession." Miller worked with Vegas in the vice

division a few years previously. Don was promoted to sergeant in 1978. At the time of his death he was in charge of the traffic division on the afternoon shift, which ran roughly between 4 p.m. and midnight. As a policemen, he received several letters of commendation.

Friday, June 20, 1980, at 11:20 p.m., Don was responded to an injury accident that had been reported. He was westbound on White Lane, turning left onto Wible Road, reports say, with his red lights on, and had the left turn green arrow when he turned. Unfortunately, a 16-year old Garces High School Student reportedly ran the red light and struck Don on his motorcycle.

The flag flew at half-mast outside the police building; inside, as the flag flew at half-staff outside the police station, fellow officers sipped coffee and broke the news to others just coming to work. Most couldn't believe it happened. "I've been shot at three times," said Detective J. J. Foy, a long-time officer, "It's something you just don't think is going to happen to you. I can't believe it." Visitors filed past the black-bordered photo of Sgt. Patrick D. Vegas. Below the photo hung a black wreath. Inside Capt. Bill Thompson took calls from all over the state – about 100 police officers making arrangements to attend the funeral Wednesday for Vegas, the first Bakersfield police officer killed in the line of duty in 28 years.

Senior patrolman J. D. Foreman was called out to assist an unusually heavy workload that night. "I went from my home to the accident and saw that motorcycle lying on the ground. It was really a shock to me." Like Vega's, Foreman rides a motorcycle. Another officer held back the tears as long as he could then broke down. "I'm sorry," he said. "A cop isn't supposed to cry."

Don is survived by his wife, Bev, a son, Chad, and a daughter, Darci, mother Elizabeth Craft, and two stepsisters, Lillian and Laura Craft, all of Bakersfield. His family requests that donations be made to the Sgt. Patrick Don Vegas Scholarship Fund, in care of the Bakersfield Police Benefit Association, P. O. Box 88, Bakersfield 93302. Don was a member of the Southern Baptist Church. Services were held the following Wednesday at Hillcrest Memorial Park, 9101 Kern County Road.

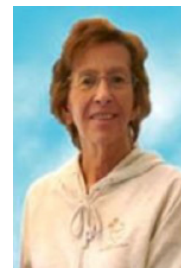

Patricia Mary Marshall (Vigstrom) - 1945 -2019

Patricia Mary Marshall passed away on February 27, 2019, 4 days before her 74th birthday. Patricia was diagnosed with Pancreatic Cancer on March 21, 2017 and spent the next 23 months fighting this horrible disease. She passed away the day after the time given to her on this earth by her doctor. She did it "her way".

Patricia is preceded in death by her parents, Sven "Charlie" Vigstrom and Rosalie Arnold and two younger brothers, John Vigstrom and Eddie Arnold.

She spent over eight years as a "checker" at Thriftmart before "retiring" to be a fulltime wife and mother. In 2007 She and Ron moved to Cypress, Texas to be closer to their daughter's family.

Patricia loved being a wife and mother, but cherished being "Nana" to her grandkids. She loved going to Disney World with her family and Cruising with her beloved husband. She also loved working in her yard and enjoying her pool. She would tell you that her best feature was that her house was always clean, but that was only a small portion of who Patricia was. She was a loving and caring person, who put everyone ahead of herself. She will be missed by all who knew her.

As she was a staunch supporter of Veterans, in lieu of flowers, the family asks that donations be made to the [Wounded Warrior](#) Foundation in the name of Patricia Marshall.

A big thanks to Hoffman Hospice and Round the Clock Staff and my daughter Kim. Without you, we would not have made it. Per her instructions we were not supposed to do an obituary. But we just could not let her active, fun filled life go without acknowledgment. I found this tucked away in her purse from a night out for Chinese Food: "You are kind hearted, hospitable, cheerful and well-liked. "That you were, our Sister, Aunt and Friend.
