PLAY - interactive game table

What people are saying!

"We loved the PLAY table so much we ordered one for our Youth AND for our Teen room."

Commerce Township, Michigan - Community Library

"We frequently see parents using the table with their children - teaching them. They don't all just pop balloons!"

Kingsport, Tennessee - Public Library

"Our table is attracting a lot of attention and the kids are having a ball figuring everything out."

Butler, Indiana – Butler Public Library

"We love the table! Our patrons love the table! Our branches want a table, too! It is so interactive, and everyone can enjoy it together! "

Iron Mountain, Michigan - Dickinson County Library

"It was a big hit with the children from the first moment we put it out. . It's nice to see it being used by everyone. It has engaged parents and nannies to sit and play with the children."

Needham, Massachusetts - Needham Free Library

"The PLAY table is great! People are loving it."

Fort Morgan, Colorado - Public Library
