

Since October 2017 Vienna has a new happy place for design, healing, yoga, workshops, innovative products, photography called „Across the universe“. Spread on 200 square meters freshly renovated Art deco-rooms you can find a co-working-office with four tables, a meeting room, a gallery + showroom, a yoga studio with a 62m2-room and a healing room with a massage table. In this little universe Designer, Startups, Artist, Therapists, Yoga-Teachers and everyone else fitting in can rent space.
