Introducing in 2024

Life Without Hate

A comprehensive community-based approach to addressing hate crimes, speech, and incidents that promotes community awareness and preparedness, increases victim reporting, and improves prevention efforts and responses to hate crimes to better support all impacted in Chicago.

Lois House

An emergency housing program uniquely designed to cater to the needs of women within the transgender community. Our program offers comprehensive wrap-around services, with a primary focus on the development of long-term housing solutions.
