

Enhance your surgical performance

with the Malis Bipolar Generator and Irrigator system

The Malis Bipolar Generator and Irrigator system represents the latest advancement in bipolar electrosurgery technology. The Malis generator brings the advantage of an innovative and intuitive user interface, the performance of DUAL WAVE waveform technology and digital electronics that deliver precision controlled power and irrigation in one package.

Malis Bipolar Generator and Irrigator system

- Oversized color screen makes comprehension easy
- Programmable user profiles store information for up to eight surgeons
- CUT and COAG knobs facilitate quick setting adjustments
- DUAL WAVE technology provides confidence during cutting and coagulating
- Touchscreen technology allows easy adjustment of generator settings

Part Number	Description
Malis Bipolar Generator and Irrigator system	
6700-313-500	Malis Bipolar Generator (includes power cord, does not include foot pedal)
6700-313-600	Malis Bipolar Irrigator (does not include power cord)
6700-313-004	Bipolar generator/irrigator interconnect cable
0996-851-011	Universal power cord
6700-313-700	Bipolar generator cart
Foot pedals	
6700-313-003	Single foot pedal (COAG only, does not include required adapter cable)
6700-313-304	Single foot pedal adapter cable
6700-313-002	Dual foot pedal
Rotary cord and tubing sets	
6790-100-003	Bipolar irrigator integrated tubing and bipolar cord set, disposable
6790-100-004	Bipolar irrigator integrated tubing and bipolar cord set, disposable, unitized plug
Gravity style cord and tubing sets	
6790-100-001	Integrated tubing and bipolar cord set, disposable
6790-100-002	Integrated tubing and bipolar cord set, disposable, unitized plug
Cord only sets	
6790-100-005	Bipolar cord set, disposable
6790-100-006	Bipolar cord set, disposable, unitized plug
