

THE CHURCHMOUSE

Windsor Presbyterian Church

June 2021

To the Flock . . .

We are headed into summer and the season of Pentecost where we remember and celebrate the coming of the Spirit to empower, guide and be a constant presence for Jesus's followers and for us. It is also the season of summer, which sometimes means gearing down, but in the summer of 2021 it means gearing up, getting ready for what comes next.

Stephen has been using the tagline, **“The comeback is always stronger than the setback,”** to get ready for the Des Moines Art Festival this year (June 25-27, Western Gateway Park—and yes, you should go!). He has it written on a card, which sits front and center on his desk, where I often work and lead worship on Sunday mornings. Though it is their slogan, the words have been an inspiration to me as we get ready to *come back* to church. We have had so many setbacks this year, but God is with us and I am excited to see how the Spirit will guide us and grow us during this season. Things will not be the same. We won't return to *normal*; things will never go back to the way they were, but we will enter into new ways of being God's community of love and grace into the future. Here are some of the things we are doing to get ready for the comeback:

Pentecost Festival: The worship team had a wonderful afternoon of worship, crafts, snacks and games planned. We started the day with a few folks having lunch together. Then we celebrated worship with Ankeny PC and First Arabic Presbyterian to accept the confirmation class into membership (see p. 8). It was so good, and a little strange, to be together. Afterwards, we had crafts, snacks

and games, but most of the crowd headed for the air-conditioning. So it didn't last too long, but it was great fun to be together! A huge thanks to the worship team (Jody, Heather and Donna) for getting the supplies and organizing all the fun.

Opening the Church: Speaking of worship, we are really eager to get back into the building! Lots of folks are working to get ready for the transition back into the sanctuary. We are targeting mid-July, but want to make sure that we have the technology in place to offer online worship options to include everyone who wants to worship with us (see pg. 4)! To protect the most vulnerable among us, we will start out with more precautions and hopefully loosen up as the guidance evolves. Smaller groups are welcome to meet in the building—hand washing, masks and distancing are encouraged for all indoor gatherings (CDC guidance). *If you would like to help us with the plans to reopen, please let me know. We need a few more folks helping with audio-visuals and technology, and getting everything ready.*

Sale of Property: From the beginning, we knew the contract to purchase our land had a six-month window (with a three-month extension option) for the buyer to find out whether the site would actually be suitable, infrastructure could be put in place, and permits would be obtainable for their project. We are nearing the end of that extension and should know if the contract is going forward by the end of June (see page 6).

Summer Rest: Summer is a time for rest, relaxation and recharging. At WPC, we will be backing off some of our programming this summer (see p. 2). We are open to keeping

Christian Formation - Angie King

Everyone should have received their **Star word** by now, and we hope yours is finding a meaningful niche in your daily activities and interactions. If we missed anybody, tell Ann McGowan and she will send one to you.

The response to starting a **Presbyterian Women's group** has been extremely positive. If you haven't had a chance to reply, just shoot an email to Ann and indicate if you're interested, what days would work best (first and second choice) and time of day (morning, afternoon, evening). We will have an organizational meeting to iron out some details in the latter part of June. As soon as that date is set, you will be notified.

Choir Tone Up will not be held weekly during the summer. Instead, it will be held on June 2, June 30, and August 4.

No WOW or EvenSong this Summer

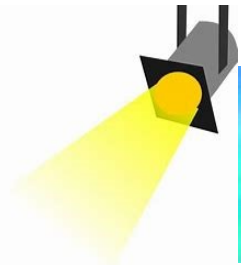

WOW will resume in the fall. We all need a break and need to focus on getting ready to open the church back up for in-person gatherings next month.

Our lovely **EvenSong** worship service is also taking the summer off. We plan to return in the fall, perhaps on a Sunday evening.

Our **Christian Formation team** includes Laura Ward and Beth Mogle. If anyone is interested in joining us, we would love it! Contact Angie.

Session Highlights - Angie King

Session met on May 13 with all members attending. Philippians 4:1-9 was our formation topic and Elders were asked to share which part of the passage was especially meaningful to them. I encourage you to take out your Bible and read these verses.

All six of the teams are busy with their various responsibilities, which you can read about here in the *Churchmouse*. We are excited that several of you have agreed to serve on one or another of these groups. Thanks for sharing your time and talents!

In addition to our regular teams, several task forces are working: Property, AV and Technology, By-Laws, 100- Year Anniversary, and Covid Safety. Read about them also in the *Churchmouse* or ask any Elder for information.

Ongoing discussions continue to address our return to "normal" and what that will look like, connecting with our neighbors and our website/social media needs. Lots of exciting challenges and opportunities ahead for Windsor!

On May 20, the Session met with Kaitlin and Michal to share stories about our faith stories prior to their confirmation. It was an honor to talk with these two extraordinary, intelligent, strong, and faith-filled young women. The elders, unanimously and joyfully, voted to welcome Kaitlin and Michal as new members of Windsor Presbyterian Church.

Congratulations! May God be your constant companion as you begin your life's journey.

Congregational Care & Hospitality - Sue Cooper

Women's Lunch

The women of Windsor did something new in May. We had lunch together at Trostel's Greenbriar on May 20, and what a delight it was. Most of us hadn't seen each other for over a year, and the excitement was palpable. Everyone enjoyed a lovely visit and a lovely lunch. We thank Ruth Hardin for putting the luncheon together. It was just what we needed to boost our spirits. Many felt we should make this luncheon a regular occasion.

With the women's luncheon being a regular occasion in mind, Ruth and Cindy have set about planning a second luncheon, so save the date. Our next luncheon will be **Thursday, June 24 at 12:30**. We will once again meet at Trostel's Greenbriar. We will send out an email soon, asking you to let us know if you can come.

For now, keep your calendar cleared for that time so we can have good food, good fellowship, and fun together in June.

Worship & Media - Jody Cox

We are planning to bring worship back in person in July. We will continue to adjust as recommendations change but plan to have pews blocked off to maintain social distancing, encourage mask wearing and limit singing. We are trying to get the technology in place so we can continue to include those who aren't ready to attend in person and those who have been worshipping with us from long distance. At this time, we don't plan to have fellowship after worship. We are also going to plan some additional outdoor worship opportunities like the Pentecost Festival.

WPC's 100th Anniversary

Although WPC congregation has not been able to be together physically for over a year, planning continues to celebrate our 100th year of serving our community since 1920-21. A history of church activities, people and mission work is underway. We will be planning other activities which hopefully can be shared in the near future. Any and all suggestions are welcomed. Celebrating the Season of Pentecost

by Natalie Steenson

We know that the God's Holy Spirit is with us at all times, but let's celebrate anew the gift of the Spirit in flame, wind and breath during the Season of Pentecost.

"And I will pray the Father, and He will give you another Helper, that He may abide with you forever – the Spirit of truth, whom the world cannot receive, because it neither sees Him nor knows Him; but you know Him, for He dwells with you and will be in you. I will not leave you orphans; I will come to you." John 14:16-18 (See also Acts 1:4-5)

On the day of Pentecost the disciples received the gift of the Spirit of God to ignite the church and to be with them always! May we enjoy the season of Pentecost by living a transformed life and celebrating in song many familiar hymns and a newer songs that remind us of the power of the Holy Spirit within us. May the winds of God's Holy Spirit blow through us, the church, at Windsor Presbyterian!

*Spirit of the Living God
Fall fresh on me (us)!
Spirit of the Living God
Fall fresh on me (us)!
Melt me (us), mold me (us),
fill me (us), use me (us)
Spirit of the Living God
Fall fresh on me (us)!*

Mission & Stewardship - Rich Teig

It was great to see several WPC members in person at the Pentecost Festival in Colby Park. We received 9 food items and a check for the Food Pantry.

So far this year we have exceeded our **One Great Hour of Sharing** goal of \$1,500 by \$205. The **Pentecost Offering** total will be reported next month. Our congregation has generously supported special offerings and the **DMARC Food Pantry**. Our Food Pantry offerings are currently almost \$400 under budget, but I am confident we will catch up.

This year the DMARC Food Pantry marks the 45th year since being started in the basement of Central Presbyterian Church. The Food Pantry Network has grown to be the largest in the state, involving 14 partner pantries and more than 30 mobile pantries. Last year the pantry served over 58,000 separate individuals/families. Due to the pandemic, the numbers were down at stationary pantries but up at mobile units. Some government pandemic food benefits are now ending.

Unfortunately, food insecurity persists. While shopping in Des Moines grocery stores, you are likely to see red barrels at the exits. The food donations in these barrels are delivered to the DMARC Food Pantry. When we go back to in-person worship, you can donate food or dollars anytime, but especially on the third Sunday of each month. Money donations do go further since the Food Pantry can buy food from the Food Bank or USDA for far less than it would cost in a grocery store. If you do donate food, the three most needed items are whole grain cereal, peanut butter and fruit canned in its own juice.

Our next **CFUM meal** is **Thursday, June 3**. We meet at the church around noon to prepare. Last month was the first time since the pandemic started that we were able to serve the meal in person. We are still preparing sack lunches at this time, but we are able to hand them out ourselves instead of giving them to the staff.

Building & Grounds - Don Beeson

We met on ZOOM April 16 to discuss the completion of Spring Clean-up and various upcoming needs of WPC that will need attention in the near future.

Currently the phone lines are in process of replacement to better provide internet connections and building telephone access. The expectation is that this project will be completed by Century Link by the end of May. We are anticipating to begin in-person sanctuary service with a target date of mid-July. We understand that mask and separation of space will be required therefore we will provide masks, sanitizer, and anything else for the congregation's protection.

The committee also discussed how we can reach out to our community to provide support in a mission endeavor using the talents, skills, space, etc. we have to offer. Please contact our committee with your thoughts and suggestions. Current B&G members are Richard Ankeney, Don Beeson, Ruth Hardin, Ron Grohe, Angie King, Dana Mitchell, Jane Owen, Randi Perez and Dwight Tomes.

Finance & Personnel - Richard Ankeney

The month of April proved to be a good "springboard" month for Windsor. The Operating Account showed Net Income of \$2,300 and was that much over budget. Total Income (\$13,814) was \$400 over budget while all categories were positive.

Total Expenses (\$11,488) did even better, being \$1,900 under budget. Office Expenses broke even with actual versus budget, but all other categories were well under budget.

The Capital Account showed no income and a small amount of expense.

A recurring payment withdrawal plan has been set up with MidAmerican Energy for the monthly gas and electric bill. Similar arrangements are planned for water and garbage collection services.

An online giving option is being established through the Presbyterian Foundation. The fund will be administered by the Finance and Personnel Committee.

An announcement will be made once the fund has been established.

Update on Sale of Property South of University Ave.

On Tuesday, May 18, we received a request by the buyer to extend the closing of the sales contract for another 30 days to June 17, 2021. This was granted in accordance with terms as set out in the original contract, which was signed September 14, 2020.

The sales contract stated that the closing date would be March 19, 2021. The buyer made a down payment of \$15,000 at the time of the signing. The contract also provided that three, 30-day extensions could be requested by the buyer if all conditions and contingencies were not satisfied for closing by any of those dates. The first extension date was April 18, the second was May 18 and the third is June 17, 2021. If the buyer is not satisfied to close as of June 17, the down payment of \$15,000 becomes non-refundable to the buyer, and either party may, in writing, terminate the agreement. If, however, both parties wish to extend the agreement beyond June 17, further negotiations will be necessary. We have been informed, unofficially, that the unsatisfied conditions and contingencies involve mainly location of turning lanes and entry and exit lanes to the property and, do not, for the most part, involve Windsor.

Josh McKenna

Josh McKenna has just a few classes to complete for his Master of Divinity degree, which will be done by the end of the summer. Upon completion of those things, he will have graduated from Dubuque Presbyterian Theological Seminary with his third master's degree.

After that he needs to take the ordination exam on Theological Competence in September.

Josh currently is interning as pastor at Forest Larger Parish Presbyterian Church, three small churches that combined to form one church with three locations and three services. The McKenna family lives in Wabeno, WI, in the middle of a national forest, which they have been exploring this spring.

Josh did a combined Pentecost service that included a congregational reaffirmation of baptism. If you would like to view the video of this Pentecost service, go to:

Special Sundays

World Refugee Sunday

On June 20, we invite you to commemorate World Refugee Day in a way that is most appropriate for your community and respects your relationships. Join the global chorus honoring those in refugee situations by:

- recognizing the courage and resilience of refugees;
- celebrating the positive impact refugees have on U.S. communities;
- calling for peaceful resolution to conflicts around the world that cause so many people to become refugees and internally displaced;
- working to create welcome and safety in countries of refuge and transit; and
- working within our churches, our communities and with our elected leaders to expand the welcome that we extend to refugees and immigrants who are our neighbors.

Throughout June, the Presbyterian Church (U.S.A.), Church World Service, and other ecumenical and inter-faith partners will be offering educational events.

World Refugee Day is also a reminder to share concerns regarding refugee resettlement and asylum policies. In the near future, PC(USA) will provide a new postcard and Action Alert for you to download and use to contact your representatives. In addition, Refugee Council USA's Advocacy Toolkit is updated every year and helps guide visits with members of Congress during their August Recess. There are even tips on how to visit your elected officials virtually!

June 20 falls on a Sunday this year and July 5 is Immigration Sunday in the PC(USA). If you are still worshipping online, you might consider using this video prayer* by Valery Nodem as part of your prayers that day.

*(<https://vimeo.com/535000035/5d4b4fa519>)

Please join us in the spirit of welcome by recommitting this World Refugee Day to building a safe and equitable society, where refugees, asylum seekers, and people of all races and nationalities are welcome.

#WeChooseWelcome

English Nobel laureate Rudyard Kipling wrote these final stanzas of his poem "If—" in 1895

*If you can talk with crowds and keep your virtue,
Or walk with Kings—nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And—which is more—you'll be a Man, my son!*

Strength of a Mountain

God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,
The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle's flight,
The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need,
Then God combined these qualities,
When there was nothing more to add,
He knew His masterpiece was complete,
And so, He called it ... Dad

and trying things for which people have energy, but we want to give folks a break from what we've been doing to provide time and space to **re-think** how we want to worship, gather, grow and serve together in faith. A reminder I go from $\frac{3}{4}$ -time to $\frac{1}{2}$ -time for the months of May-August and typically take a family vacation in August. As we return to worship and as we plan for the fall, we want to put our best and most creative energies into living into the future mission and ministry to which God is calling us. Let me know if there is something you'd like to try this summer or fall.

Youth: We value our children and youth but haven't always had much for them because of our small numbers. Though I'm not sure what it looks like, the confirmation class has shown me that we can and must do more for the young people of our church and our community. Though I'm not sure what it is going to look like, it is a huge priority for me and us in the coming season of our life together.

Praying the Neighborhood: In this summer Pentecost season, one thing we can all be doing is to spend time in prayer, listening to how God is calling you and our church to use our gifts to be force of good in our community. As you go about your daily life—working, shopping, walking, driving, visiting—ask God *who* our church is being called to serve and *how* we can make the love of Jesus real for our neighbors.

Website and Social Media: One of the greatest tools we have to reach out to others is our online presence. As we build a new website, my hope is that it will be your go-to place for the latest information about church calendar, events, etc. So, please visit windsorpc.org to see what's new, and then let me know how we can make it better! We want to have a website that is helpful for potential visitors and also our membership, so please let us know how we can keep improving. We have a HUGE need for a couple of folks who have ANY interest or expertise in helping us build our online/social presence, so please let me know if you have suggestions or would like to help out in any way.

Worship in the Spirit: We start our summer worship season with some time in the Book of Acts, which is all about the Holy Spirit's presence and the creation of the community of believers. In worship, you will hear some lesser known stories highlighting women in the early church (**see. p. 4**). As we worship, may the Spirit also inspire us so we can help people all around us know and believe in the life-changing love of Jesus!

The Winds of Change

by Cindy Ray

The wind blows growing ever stronger.

The trees whip in the wind.

You can hear the wind's roar and rustling through leaves as the branches lift their heads to greet it.

Changes come.

Loving God, I look forward to the changes.

Lord, I fear the changes.

Lord, I wrap my heart and head around the changes, embracing them.

Lord, I don't want these changes.

Loving God, there is so much conflict, yet all of that doesn't matter.

The changes will come, and eventually we can sort them out and, with your help, live into them.

Help us fear the changes less and celebrate them more.

Help us, like the trees, lift our heads into the wind and face it with enthusiasm, courage, and open arms.

Guide our hands and our feet as we figure out what is next, and be with us through it all.

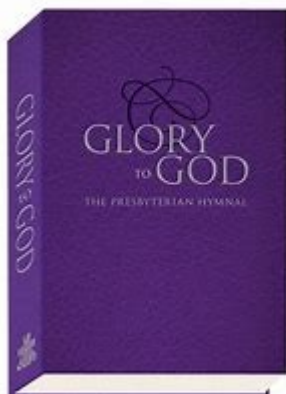

We know you will be there holding us, celebrating us, comforting us, encouraging us.

We are grateful. Thanks be to God.

Amen.

My Favorite Hymn - Ruth Hardin

Do you have a favorite hymn that you would like to share with the congregation? If so, please email the church office and tell us why it is special to you. We may do a little research to tell about your selection. (You are welcome to do that yourself if you wish.) This month Ruth Hardin shares two of her favorite hymn with us.

I, the Lord of Sea and Sky (Here I Am, Lord)

A special hymn is "Here I am, Lord." When singing this hymn, It seems as if I have direct access to God.

Daniel L. Schutte is an American composer of Catholic liturgical music and a contemporary Christian songwriter best known for composing the hymn "Here I Am, Lord" in 1981 and over 150 popular hymns and Mass settings. Schutte grew up in Elm Grove, WI, and graduated from Marquette University High School before entering the Society of Jesus. His compositions are primarily written for Catholic liturgical use, but, over time, have found their way into Protestant worship.

Life's Railway to Heaven

Another that has meaning to me is "Life's Railway to Heaven," because many, many years ago, my grandmother sang this hymn to me. She also provided the words that I wrote down. It's an "oldie" and we sang it once in church during a hymn sing.

Members of the Western Writers of America chose the song as one of the Top 100 Western songs of all time.

M.E. Abbey was a Baptist pastor in Georgia in the 1890s. He wrote the lyrics to a hymn based on the poem, "The Faithful Engineer," by William Shakespeare Hays. In 1890, **Charles D. Tillman** set it to music. He was a popularizer of the gospel song. He had a knack

for adopting material from eclectic sources and flowing it into the mix now known as southern gospel, becoming one of the formative influences on that genre.

This song has been recorded by Boxcar Willie, the Carter Family, The Oak Ridge Boys, Tennessee Ernie Ford, Patsy Cline, Merle Haggard, Johnny Cash, Willie Nelson, Brad Paisley, and many others.

- 1 *Life is like a mountain railroad
With an engineer that's brave
We must make the run successful
From the cradle to the grave
Watch the curves, the hills, the tunnels
Never falter, never quail
Keep your hand upon the throttle
And your eye upon the rail

Blessed Savior, thou wilt guide us
Til we reach that blissful shore
Where the angels wait to join us
In thy praise for evermore*
- 2 *You will roll up grades of trial
You will cross the bridge of strife
See that Christ is your conductor
On this lightning train of life
Always mindful of obstruction
Do your duty, never fail
Keep your hand upon the throttle
And your eye upon the rail*
- 3 *You will often find obstruction
Look for storms of wind and rain
On a hill, or curve, or trestle
They will almost ditch your train
Put your trust alone in Jesus
Never falter, never fail
Keep your hand upon the throttle
And your eye upon the rail*
