### Practicing the Way Spiritual Practices —Scripture 101

Windsor on Wednesdays kicks off January 14th at 5:45 with a mini-series on the Spiritual Practice of Scripture. This is a follow-up from the *Practicing the Way* course from this fall. We'll go deeper, learning how engaging with God's word can help us connect with God and change how we live. We'll do some exercises and readings, watch videos and discuss to deepen our understanding of the foundation of our faith. The sessions will cover Bible 101, Reading, Meditating, Studying, and Memorizing. Bring a bible you don't mind writing in and something to take notes in. To learn more visit [practicingtheway.org](http://practicingtheway.org)

### Epiphany Celebration January 6th

We will have a creative Epiphany celebration on Tuesday, January 6<sup>th</sup> at 5:45pm with a soup supper, brief worship and song, 12<sup>th</sup> Night gift exchange (bring a wrapped funny or creative re-gifting item). Lastly we will undress our church Christmas decorations, as we prepare for the New Year (see description inside).

### Worship Rotation

This fall we began experimenting with a rotation of worship and music styles. This is something the worship team has been working toward for a couple of years. As we worship our way into the new year, we'll strive to offer intentional and creative worship experiences with excellent and diverse music. Because we connect to God in various ways, we are offering a variety of worship styles. **Community Worship** blends modern hymns and contemporary with organ and piano. **Traditional Worship**, featuring the organ, employs traditional hymns, liturgies, and creeds. **Worship with the Band** is a plugged in and playful mix of contemporary music that features guitar, bass, drums, piano and vocals. **Acoustic Worship** involves piano only, or piano and strings (violin and cello).

We would love your feedback as we try out these and other worship styles. We hope you will engage all of these experiences so that you may be moved into deeper relationship with God and one another, because when we gather to hear God's word and sing praises, God is with us, transforming us and the world we are sent to serve.

## COMMUNICATIONS REPORT - Krysta Tomes

### AudioVisual Training Sessions Offered

Thirty plus years ago, the balcony was where the "cool kids" hung out and took in the service while trading candy from the convenience store across the street. These days it is where a lot of the behind-the-scenes magic happens to control the sound, video, Zoom and slides to guide us through Worship both in the sanctuary and homes near and far. Now we're inviting anyone who is interested to some friendly, stress-free training sessions on the volunteer basics. Don't worry if technology isn't your strong suit! We'll walk through everything step-by-step, from turning on the equipment to sharing slides and hosting Zoom meetings.

These short 20-minute sessions are designed to be hands-on and encouraging, with plenty of time to practice and ask questions. Whether you're tech-savvy or tech-nervous, you'll leave learning something new, and an opportunity to join the other "cool kid" volunteers in the balcony.

If you are interested, reach out to Krysta Tomes (krystanwhite@gmail.com) and look in the weekly *Community Connections* email and bulletin for start dates! We hope to see you there.

THANK YOU to all who purchased poinsettias to decorate our church for this Advent Season. You may take your plant home after the Christmas Eve service.

*Then the star appeared again, the same star they had seen in the eastern skies. It led them on until it hovered over the place of the child. They could hardly contain themselves: They were in the right place! They had arrived at the right time!*

—Matthew 2:9-10, The Message

### Star Words 2026 - Mark an Intention!

On Sunday, January 11<sup>th</sup> we will have the opportunity to choose a Star "Word" to reflect on, ponder and let guide us in the coming year. These may include words like: patience, joy, peace, lovingkindness, mercy, acceptance, faith, forgiveness, etc.

Come to worship to receive your Star Word for 2026 or contact us and we will happily send you one.

## Epiphany Celebration!

Join us for an evening of celebrating the beginning of Epiphany on January 6th, following the 12 days of Christmas. We will read from Matthew 2:1-12 and sing about the 3 Magi following the star of Bethlehem to find and worship the king, Jesus, the Light of the world.

We will also share a soup supper at 5:45pm in Ward Hall with a brief worship service, have a fun gift exchange (think funny or re-gifted item!) and lastly we will un-adorn our church Christmas decorations.

Learn more about the liturgical season of Epiphany on our website at [windsorpc.org](http://windsorpc.org)
