OCTOBER 2025

TRUNK OR TREAT EVENT - Kaitlin Mogle

As October approaches I have high hopes that the new parking lot will be done before we host our annual trunk or treat this year on Saturday October 25th, 2025. I would love to have some of our congregation volunteer to decorate a car and hand out candy. I am also looking for some candy and food donations. This is all going to be dependent on our parking lot.

We are printing more signs and a banner to hang from the building to catch more eyes and bring in even more community members. We will also advertise online with Cowles and Windsor Elementary, as well as Des Moines Parent’s community calendar.

Please do not hesitate to ask questions if they come up. I will be making more announcements as we get closer and have a better idea of the plans. If you would like to donate, please text me or let me know in person! I appreciate this church family and I am incredibly grateful for all of the support for this wonderful event!

PARKING LOT UPDATE - Ron Grohe

Work on the new parking lot continues as the main portion of it is now paved and work is being done around the edges with the planting of trees and bushes. The new and present parking lots will be joined together within the next two weeks so that there will be some temporary parking as well as entry and exit problems while we to continue to work towards a satisfactory conclusion.

We will attempt to notify the congregation as obstacles appear so as to minimize the discomfort and confusion.
