Credits for Standard Features

No credits will be issued for unused site costs or for standard features a homeowner chooses to remove, eliminate, or not install. The removal of an included item does not reduce the contract price or create a credit toward another selection or upgrade. This may include but is not limited to items such as doors, plumbing fixtures, mirrors, shelving, hardware, flooring, tile, landscaping, cabinetry, countertops, or other standard features included in the home.

Base Price Does Not Include the Price of the Lot, Community Requirements, Unforeseen Site Costs, or unforeseen increase in materials (ex. Lumber cost increase) Contact Builder for Details.
