BINS

• Quality Construction Throughout

- USA Engineered and Manufactured
- Heavy duty Steel
Compare the weight of ours to the competition.
- Interlocking Parts
The most basic, sturdy way to insure strength.
- Spot Welded Throughout
Good, but only the minimum for a strong cabinet.
- One Inch Hemmed Lips
Adding an extra margin of safety and strength.
- Baked Enamel Finish
Superior & Durable, chemically and heat bonded.
- “No Wasted Space” Cubby Design
All available space is available for storage
- “Stay In” Cubby Design
Keeps parts from sliding out.
- Shipped Fully Assembled
No bolts to tighten, ready to use.
- Packed One Per Carton

Drawer Cabinets

• Quality Construction Throughout

- USA Engineered and Manufactured
- Heavy duty Steel
Compare the weight of ours and the competition.
- Welded & Fully Assembled
- Positive Drawer Stops
- Handles Placed for Max Strength
- Smooth Faces for Adhesive Labels
- Partition Slots on One Inch Centers
- Baked Enamel Finish
Superior & Durable, chemically and heat bonded.
- Packed One Per Carton
