A LOOK AT SEAN'S PREDICTIONS

THE CURRENT RESEARCH PROJECT REQUIRES INTENSE PREPARATION BY SEAN HARRIBANCE®. MAKING PREDICTIONS ALSO REQUIRES A GREAT DEAL OF SEAN'S TIME AND ENERGY. WHILE NEW PREDICTIONS ARE ALWAYS EXCITING, IT IS CRITICAL THAT WE CONSIDER THOSE PREDICTIONS ALREADY MADE.

IT IS SIGNIFICANT TO REALIZE THAT MANY OF THE PREDICTIONS THAT SEAN HARRIBANCE® HAS MADE SINCE THE MID 80'S REMAINS THE SAME AS THE "VISIONS" THAT HE CONTINUES TO SEE. MORE IMPORTANTLY IS THAT WE ARE CURRENTLY IN THE TIME FRAME OF SOME OF THE MORE ASTOUNDING AND ALARMING OF THOSE PREDICTIONS.

CONSIDER THIS:

IN OUR DECEMBER 2004 NEWSLETTER WE PUBLISHED THE FOLLOWING:

"I still hold the vision (that was published in 1986) that in the years 1988-1998 the world will have political strife, social/racial problems, rumbling of wars, earthquakes, bad weather, the economy, etc. Every 10 years these problems will become worse, and the cycle will continue for 30 years. At the end of each 10-year cycle we will be able to see the beginning of the increased amount of problems which will continue for the following 10 years. Years to watch will be 1997 and 1998 and those years will indicate the severity of the future problems in 2008 and 2018. We will have terror in the world."

(this quote came from the segment in the back of the book, "Looking at the Future".)

THIS PREDICTION HAS BEEN PUBLISHED REPEATEDLY AND REMAINS A MAJOR CONCERN. POLITICAL STRIFE IS NOT NEW, BUT IT IS AN ISSUE THAT CONTINUES TO GROW. EACH ADMINISTRATION SINCE THE 80'S HAS EXPERIENCED INCREASED CONTROVERSY AROUND CANDIDATES AND THEIR POLITICAL PLATFORMS. WE ARE ENTERING THE 10-YEAR CYCLE THAT REPRESENTS EXTREMELY TURBULENT TIMES IN THE VISIONS THAT SEAN HAS PUBLISHED.

IN 1985 HE WARNED OF THE SHARP INCREASE IN WORLD TERRORISM IN THE FUTURE AND THE RISE OF THE MUSLIM NATIONS AGAINST THE US. DURING THIS TIME, HE SAW 60-70% OF THE WORLD OPPOSING THE UNITED STATES. INTERNATIONAL RELATIONS WOULD BE VERY STRAINED. WHILE THIS HAS BEEN A CONCERN FOR A NUMBER OF YEARS, REMEMBER THAT AT THE TIMES THESE PREDICTIONS WERE MADE, THAT SEEMED VERY FAR-FETCHED.

SOCIAL AND RACIAL TENSION IS AT THE FOREFRONT OF EVERY NEWS REPORT SEEN TODAY. THESE ISSUES ARE NOT NEW IN OUR HISTORY AND BECAUSE WE ARE LIVING IN THE MIDST OF THESE PREDICTED TIMES, WE TEND TO DISCOUNT THESE PREDICTIONS AS BEING COMMON KNOWLEDGE. HOWEVER, EVENTS OF TODAY APPEAR TO BE TAKING ON AN ENERGY SUBSTANTIALLY DIFFERENT THAN WHAT HAS BEEN SEEN BEFORE.

MARCH 2007, SEAN PUBLISHED THE FOLLOWING:

Since I feel that 1988, 1998, and 2008 are indications of the problems in the next ten-year period, I am especially concerned about the years 2008-2018. We are not even into 2008 yet and look at what is happening in the world. In this next period, I worry about cultural problems, social issues (including freedom of speech, the increasing cost of college, health insurance, the squeezing of the middle class), political strife in America and world-wide, inflation, economic problems, etc. I can see the handwriting on the wall.

ACCORDING TO SEAN, THE END OF EACH 10-YEAR CYCLE, IN THIS CASE 2018, WOULD BE AN INDICATOR OF WHAT WAS TO COME HOWEVER IT WOULD BE CONSIDERABLY WORSE IN THE NEXT CYCLE. WE ARE SEEING THESE ISSUES IGNITE CONFRONTATIONS, STIFLING SPEECH, CHALLENGING THE CONSTITUTION, TESTING THE LEGAL SYSTEM AND BECOMING MORE AND MORE VIOLENT. THEY HAVE TAKEN TURNS IN DIRECTIONS THAT FEW COULD HAVE IMAGINED.

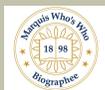

THE AREA MOST TROUBLING TO SEAN REMAINS THE WEATHER.

(A LOOK AT SEAN'S PREDICTIONS – CON'T)

IN THE SEPTEMBER 2005 NEWSLETTER HE PREDICTED “In the years 2008-2018 there will be drought and excessive heat. The heat index will hit 136 in west Texas, 140 in Africa, and 130 in parts of India. There will be bad flooding in China, India, and parts of Europe. Some of the states in America, that do not normally have cold winters, will also have exceptional cold, causing house damage and pipes freezing. The Mississippi River will overflow from heavy rains, damaging crops. During those years there will also be droughts, and the two will cause the price of grains to be high.

From now to 2028, two serious hurricanes with winds greater than 145 mph will hit the Louisiana/Texas coast. One will have winds up to 200 mph, although it will weaken slightly before hitting land. One will hit New Orleans directly, and will cause worse damage to the buildings than the recent one.

Low-lying coastlines all over the world will have damage from the rising water level, because of the ice melting at the poles. This will be more prominent from 2018-2028.

In the years 2018-2028 the weather will again be ten times worse. From now to 2028, the damages in the US from weather disasters – including tornadoes and earthquakes, will be over \$3 trillion. In these same years the axis of the earth will shift again, greater than 1%.”

WHILE THE LOCATION WAS FURTHER EAST, THE RECENT HURRICANE DORIAN HAD UNPRECEDENTED SUSTAINED WINDS IN EXCESS OF 200MPH AND THEN DECREASED SLIGHTLY PRIOR TO LANDFALL. THE NOAA (NATIONAL CENTERS FOR ENVIRONMENTAL INFORMATION)

REPORTS THE FOLLOWING: “The U.S. has sustained 250 weather and climate disasters since 1980 where overall damages/costs reached or exceeded \$1 billion (including CPI adjustment to 2019). The total cost of these 250 events exceeds \$1.7 trillion.” WITH 2019 STILL IN PROGRESS THEY ALSO REPORT: In 2019 (as of July 9), there have been 6 weather and climate disaster events with losses exceeding \$1 billion each across the United States. These events included 2 flooding events and 4 severe storm events. Overall, these events

resulted in the deaths of 15 people and had significant economic effects on the areas impacted. The 1980–2018 annual average is 6.3 events (CPI-adjusted); the annual average for the most recent 5 years (2014–2018) is 12.6 events (CPI-adjusted). During 2018, the U.S. experienced an active year of billion-dollar disaster events including the 4th highest total number of events, only behind the years 2017, 2011 and 2016. In 2018, the U.S. also experienced the 4th highest total costs (\$91 billion) only behind the years 2017, 2005 and 2012.

IF THIS TREND CONTINUES, THE US WILL EASILY REACH OR EXCEED SEAN'S PREDICTION. (NCDC.NOAA.GOV)

SEAN HARRIBANCE® HAS DESCRIBED A POWERFUL NEGATIVE FORCE OR ENERGY THAT WAS “BORN” MARCH 6, 1988. THIS ENERGY REACHED “MATURITY” WHEN IT TURNED 30 IN 2018. IN JANUARY 2017, SEAN REITERATED PRIOR PREDICTIONS, SAYING: “I have been warning of the increase in problems every ten-year cycle, and I am especially worried about the 2018-2028 cycle. In this year, 2017, we will see the start of those problems, and it will give an indication of how bad it will be in 2018-2028. During those ten years we will see snow 8 feet deep, rivers overflowing and flooding, more drought, bigger sinkholes, terrorism, racial and political strife, and problems with third world countries that will affect us. Many of these problems will be related to President elect Trump's trade negotiations. The cheaper labor in these countries compared to the cost of US labor will aggravate these problems. Near the end of this time period, 2027-2028, we will see problems from the increased rise of the sea level, 200-300 mph winds, more earthquakes (including earthquakes in places that never had earthquakes), and 4 powerful hurricanes that will come in a line, one after the other.”

MANY CRITICIZED AND SCOFFED AT SEAN'S PREDICTION OF AN INCREASED STATE OF MENTAL CONFUSION, THE UNUSUAL PLACES OF OIL DISCOVERIES AND THE SEEMINGLY ABSURD PREDICTION OF MEN HAVING BABIES AND YET HERE WE ARE.

SEPTEMBER 5, 2019 SEAN HARRIBANCE® PREDICTED:

*8 MORE HURRICANES BEFORE THIS YEAR ENDS.

*THEY WILL FIND THAT MORE THAN 100 PEOPLE IN THE BAHAMAS HAVE DIED FROM HURRICANE DORIAN

*DALLAS WILL RECEIVE 2' OF SNOW

*SOME AREAS IN TEXAS WILL HAVE A HEAT INDEX OF 142 AND WE WILL SEE THAT THIS

(A LOOK AT SEAN'S PREDICTIONS –CON'T)

INTENSE HEAT WILL AFFECT VEHICLE TIRES. KIDS WILL CRACK EGGS ON PAVEMENT AND THE EGGS WILL COOK QUICKLY.

*RUSSIA WILL WANT TO PARTNER WITH THE US TO GO TO OUTER SPACE

*WITHIN 10 YEARS WATER WILL BE \$20 GALLON

*WITHIN 10 YEARS PEOPLE WILL TURN TO MORE HOLISTIC APPROACHES TO MEDICINE AND HEALTH CARE

*IT WILL BE INCREASINGLY DIFFICULT FOR PEOPLE WITH DEGREES TO FIND JOBS. A LARGE PERCENTAGE WILL BE UNABLE TO GET JOBS

*FOOD FROM THE SEA WILL BE SO TAINTED AND HAVE UNUSUAL ISSUES THAT PEOPLE WON'T WANT TO EAT IT

*WE WILL SOON SEE A 50% INCREASE IN THE PRICE OF GROCERIES, A 60% INCREASE IN THE PRICE OF IMPORTED GOODS AND BY THE END OF THE YEAR, A HUGE JUMP IN AUTOMOBILE PRICES.

GOVERNMENT OFFICIALS SHOULD PAY ATTENTION TO PREDICTIONS

FROM PROVEN PSYCHICS. GOVERNMENT OFFICIALS COULD PREVENT MANY OF THE PROBLEMS WE CONTINUE TO FACE IF THEY WOULD WORK TOGETHER AND WORK WITH OTHER COUNTRIES. I SEE THAT IF AMERICAN COUGHS, MANY THIRD WORLD COUNTRIES WILL HAVE THE FLU! (IF AMERICA BEGINS TO FAIL THEN MANY OTHER COUNTRIES WILL BE CONSIDERABLY WORSE.)

IN 1994 I PUBLISHED IN MY BOOK "SEAN HARRIBANCE® - A PSYCHIC PREDICTS THE FUTURE, AND I STILL SEE TODAY, THAT PARAPSYCHOLOGY WILL BE THE SCIENCE TO SAVE US. PREDICTIONS ARE THE TREND OF THINGS TO COME. IF THE GOVERNMENT AND SCIENCE CAN USE PREDICTIONS OF FUTURE PROBLEMS, STEPS CAN BE TAKEN TO MINIMIZE THE SUFFERING. MANY OF OUR PROBLEMS, CURRENT AND FUTURE CAN BE AVOIDED, IF THE GOVERNMENT WOULD TAKE THE TIME TO INVEST IN THE FIELD OF

PARAPSYCHOLOGY. 

The Research Continues!

Sean Harribance® Continuing Research with University of Texas MD Anderson Cancer Center

IN THE LAST NEWSLETTER WE PUBLISHED THE RESULTS OF ONE OF THE MOST EXCITING RESEARCH PROJECTS INVOLVING SEAN HARRIBANCE® AND HIS AMAZING MENTAL ABILITIES. THE STUDY DOCUMENTED SEAN AS HE FOCUSED HIS ENERGY ON IN VITRO AND IN VIVO CANCER CELLS. THE EVIDENCE REVEALED THAT THE SUBJECTS SHOWED SIGNIFICANT EFFECTS ON THE CANCER. THE GROWTH WAS SLOWED OR STOPPED ALTOGETHER AND THERE WAS EVIDENCE OF IMMUNE SUPPORT AND ALL WITHOUT ANY OF THE ADVERSE SIDE EFFECTS CURRENTLY EXPERIENCED WITH TRADITIONAL CANCER TREATMENT.

THE RESULTS WERE SO SIGNIFICANT AND PROFOUND THAT SEAN HARRIBANCE® PUSHED TO REPEAT THE RESEARCH. THE ORIGINAL PROJECT INVOLVED EXPOSURE TO THE SUBJECT CANCER CELLS FOR 30 MINUTES EVERY 2-3 DAYS. SEAN WANTED TO KNOW IF EXTENDING THE EXPOSURE TIME TO 1 HOUR WOULD MAKE ANY SUBSTANTIAL DIFFERENCES. THANKS TO THE GENEROUS DONATIONS MADE TO THE SHIPR (SEAN HARRIBANCE INSTITUTE FOR PARAPSYCHOLOGY RESEARCH, INC.), THE NON-PROFIT FUNDED THE FOLLOW-UP PROJECT. WE LOOK FORWARD TO THOSE RESULTS IN THE NEAR FUTURE.

EVERY \$100 CONTRIBUTION ASSISTS IN LAB FACILITIES BEING ACQUIRED, CREDIBLE PERSONNEL BEING HIRED, STRICT PROTOCOL BEING FOLLOWED, AND THAT THE RESEARCH IS PERFORMED WITH UTMOST INTEGRITY. YOU CAN EASILY BE A PART OF THIS GROUNDBREAKING RESEARCH BY GOING TO: WWW.SEANHARRIBANCE.ORG AND CLICKING ON "DONATE NOW".

(YOUR NAME AND CONTRIBUTIONS ARE KEPT CONFIDENTIAL. ALL DONATIONS ARE TAX DEDUCTIBLE.)

About SHIPR, INC.

Founded August, 1995, as a non profit organization.

* SEAN HARRIBANCE® IS A REGISTERED TRADEMARK

Our mission is:

- to establish, carry on and promote research into the existence, origin, cause and nature of psychic abilities in mankind; with the primary focus being the study and research of Sean Harribance's psychic abilities.
 - to promote and encourage public knowledge, appreciation and awareness of the nature of psychic sensitivity and ability in mankind and to develop the science of parapsychology.
 - to facilitate the exchange of information, ideas and research concerning all matters affecting the science and practice of parapsychology and to promote the permanent preservation and conservation of the same.
 - to encourage, document and develop research into the effect of psychic abilities in promoting health, spiritual, social and human development in mankind.
 - to encourage and promote the establishment and maintenance of high professional, technical and ethical standard in the science of parapsychology.
- Your support is greatly appreciated!**

S.H.I.P.R., INC.

In 1995 the Sean Harribance Institute for Parapsychology Research, Inc. (SHIPR) was founded as a 501(c) 3 non-profit corporation. The mission is to establish, carry on and promote research into the existence, origin, cause and nature of psychic abilities in mankind. In addition, SHIPR strives to promote and encourage public knowledge, appreciation and awareness of the nature of psychic sensitivity and ability in mankind and to develop the science of parapsychology.

Many have benefited from psychic abilities. Sean's predictions and readings have provided valuable insight and direction for many of his clients. Your support is critical to the continued efforts of this foundation. Membership is a tax-deductible contribution. Join Now!
