- Walk to the left on the first time through the first half of the song
- Walk to the right on the repeat of the first half of the song
- On "Ån slank han hit" go to the middle,
- On "An slank han dit" go back out to the circle
- On "An slank han ner i diket" go to the middle and crouch down
- On the repeat of "Ån slank han hit" go back out to the circle,
- On the repeat of "Ån slank han hit" go to the middle,
- And on the repeat of "Ån slank han ner i diket" go out and fall down.

English Lyrics

The pastor's little crow
wanted to go for a ride,
but nobody was around to drive him. (X2)

First he went over here.
And then he went over there,
And then he fell down in the ditch. (X2)

Instructions -Couples Version

- Find a partner and face them holding both hands.
- The first time through the first half of the song walk around each other one way.
- On the repeat of the first half of the song walk the opposite way.
- On "Ån slank han hit" face each other and swing hands together up to one side,
- On "Ån slank han dit" swing your hands to the other side,
- On "Ån slank han ner i diket" swing your hands back to the first side again but keep going up over your head turning your back to your partner as you turn, wringing the dish rag
- Repeat hand swinging and turn with repetition of second half of the song.
