

The title 'Dragonborn' is rendered in a highly ornate, golden, gothic-style font. The letters are intricately detailed, with the 'D' and 'B' featuring large, wing-like flourishes that extend outwards. The background of the entire image is a dark, atmospheric fantasy landscape. At the top, a large dragon is silhouetted against a stormy, moonlit sky. Below the dragon, a jagged, snow-capped mountain peak rises. In the lower right, a dark, imposing castle with many spires and towers is perched on a cliffside. To the left, a gnarled, leafless tree stands on a rocky outcrop. The overall color palette is dark, with deep blues, greys, and blacks, punctuated by the golden glow of the title and some distant lights from the castle.

THE JOURNEY

THE ROOTS OF DRAGONBORN

The roots of Dragonborn reach back to 1994, when founder Ekrem Kani began composing epic and fantasy inspired metal.

Years of songwriting, world building and live experience shaped a unique sound and vision that eventually evolved into Dragonborn.

Today, Dragonborn is more than a band. It is a complete epic metal project where music, storytelling, visual art and live performance merge into one immersive journey.

THE PRESENT LINEUP

Five dedicated musicians. One shared vision.

United by their passion for epic metal, fantasy and powerful live performance, Dragonborn delivers a show that is as cinematic as it is intense.

THE SOUND

A blend of epic metal, pagan and folk elements, aggressive riffs and cinematic orchestration.

Melodic yet powerful. Ancient yet modern.

Forged in steel. Driven by story.

**BUILT ON 30+ YEARS OF EXPERIENCE.
DRIVEN BY PASSION. UNITED BY DESTINY.**

NO MERCY

THE FIRST CHAPTER OF THE ROAD AFTER STEEL

No Mercy is Dragonborn's debut EP and the opening chapter of *The Road After Steel*, an original fantasy saga where war, betrayal and redemption shape the destiny of the Ironbound Lands.

Rather than presenting six independent songs, the EP unfolds as one continuous journey. Every track reveals another chapter of the same conflict, allowing listeners to witness the rise, the betrayal, the war and the silence that follows.

TRACKS

- | | | | |
|---|---|------|---------------------------------------|
| 1 |  ASH BEFORE DAWN | 3:12 | The silence before the first warhorn. |
| 2 |  WARHORNS FOR LIARS | 3:08 | Mercy dies. Steel answers. |
| 3 |  EXECUTION | 3:35 | Justice falls upon betrayal. |
| 4 |  REVENGE OF PAGAN STORMS | 3:05 | The outside war begins. |
| 5 |  VALEXUS, LORD OF ICE | 4:10 | From betrayal rises true power. |
| 6 |  WHEN STEEL FORGOT FIRE | 1:58 | The silence within the warrior. |

EVERY SONG IS A CHAPTER. EVERY BATTLE CHANGES THE WORLD.

THE NEXT CHAPTER

NO MERCY • IRONBOUND LANDS

NO MERCY ERA

No Mercy is the opening release of the larger Dragonborn saga, *The Road After Steel*. Through warning, war, betrayal, execution and the rise of Valexus, the EP establishes the emotional and narrative foundations of the world.

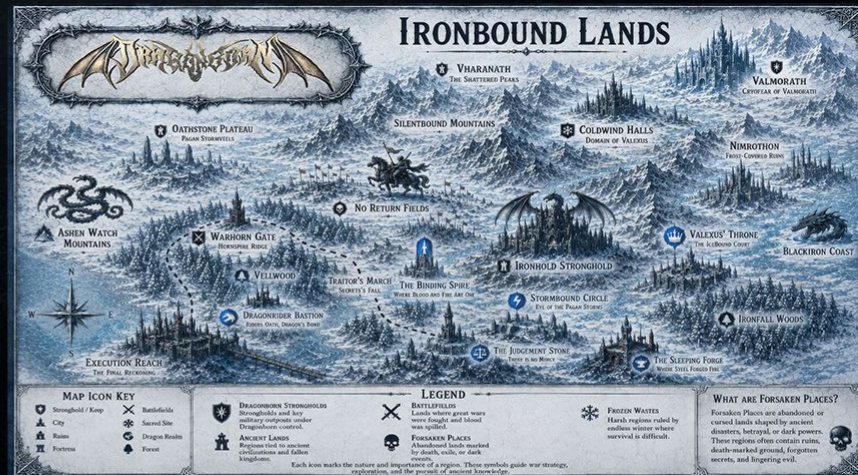

THE ROAD AHEAD

What begins in No Mercy continues outward into a broader mythology of kingdoms, battlefields, dragons and sworn destinies. Each release is designed as both a musical chapter and a visual expansion of the same universe.

IRONBOUND LANDS

The Ironbound Lands map gives form to Dragonborn's world: its sacred peaks, strongholds, ruins, battle zones and cursed regions. It is the geographic foundation for future songs, videos, characters and story chapters still to come.

Everything needed to present Dragonborn professionally: official channels, media assets, music links, video links and booking direction.
A cinematic fantasy metal project built for press, labels, festivals and international booking.
