

3.10.2023

We have made it through another week and another Board Meeting! We had several good questions from homeowners and I assure you all that we are following up and will have answers soon.

I will send out a full update next week, but wanted to remind you all that The St. Patrick's Day celebration is on Friday the 17th. Corned Beef, Cabbage, Potatoes, Carrots and Onions will be served. Attendees are asked to bring a dish to pass---either a dessert or salad. We will once again have green beer for your enjoyment. As always, we will be accepting any donations you wish to make.

I am hoping to get more information together and a full update out early next week.

Dorothy
