

General Manager's Last Message

by Cathy Russell

I want to thank everyone for a blissful 2 years of being a part of such a wonderful community.

The friendships that were made will always be with me.

Villas West is on a solid foundation with good people that truly care and when everyone works together all things can be achieved.

We have accomplished a great deal over 2 years and I truly feel this has set the way for positive growth for all.

Goodbyes are not forever.

Goodbyes are not the end.

They simply mean I'll miss you

Until we meet again!
