**Villas West Rules and Regulations Regarding Animals**

ALL dogs and cats shall be restrained on a handheld leash when outside a Unit. ( Pima County Ordinance **6.04.030**) Dogs and cats shall always be directly under the Unit Owners/Renters control .

An owner/renter must clean up after his/her pet and dispose of droppings, bagged, in their trash can, or at the doggie stations provided by Villas West.

The green area around the pools are NOT designated areas for dogs to use. There are 4 green areas that are open for dogs to use.

Please DO NOT tether your dog via a long leash to a post on the back patio and leave them unattended. This is not allowed, as you do not have complete control of the animal.

Dog swimming in the pools is a violation of Pima County Health Code and can cause us to lose our license.

We are a close-knit community and excessive barking of dogs is offensive, please try to keep the barking down to avoid unhappy neighbors. Please review **CC&R's 4.7** for additional information regarding animals.
