Verbatim Comments

Accomodates our needs well (size, location) - aesthetics, services offered and covered with HOA fee,

Convenience, Landscaping, Price

Weather, location, Price

Parks and grass picnic areas, size of living space, close to everything

GVR, weather, affordability

security/safety, over 55 lifestyle community

I love the villas, I love the price, I love the grounds, people, pools - wish there was a hot tub

great price for a nice unit, wonderful landscaping, superior maintenance

attractive for seasonal ownership

to help a friend

Good quality HOA, Access to GVR, Just love the villas

Very affordable, nice grounds, close proximity to businesses/banking, etc.

Price, location

Location - across from a laundry room, front door parking, near a green space and center of town, Maintenance - provide for exterior of villa and grounds, Cost - villas hold their value througut the years

No crime, no traffic, affordable, nice place to live

Exterior maintenance by the HOA, total cost of owning a villa, central location in Gree nValley

Nice location and wonderful neighbors, very friendly community

Our location offers special quiet beauty with direct access to pristine desert, pools, very walkable

Location, price/value, campus appeal

location and cost, grounds are well maintained, lower HOA

Location

Cost, Location

Easy of ownership, beauty of area, central location

Price, location, well maintained

reasonable purchase, location, friends as owners

Price - villa and HOA, landscaping - well kept, amenities - pool, laundry

Beautiful grounds, location, safety

Good architecture, low cost, they are well maintained

Relatives live in area, activities and clubgs are great souce of info, would pay an additional minimal amount to

have access to activities since the villa is rented and according to by-laws rights of usage are none

Functional owner based HOA and maintenance Dept., Comprehensive maintenance program, walkable area with stores and restaurants and transit nearby

My mom lives in the home, purchased her home from her

Price, climate

Affordability, reasonable association fees, low population density

Reasonable price for gas and electric, like the fact that heataer, air conditioning, roof, water are all through HOA, small enough to keep up for older people.

Affordability, maintenance/safety, services like GVR

Green valley area, friendly

Strong financial management, aesthethics of the common areas, lock and leave format - HOA inclusions and affordability, charm, tranquility

Dry climate, reasonable price of Villas and HOA fees, number of services provided provided as I am single female

It has a nice feel - quiet and relaxed for my reitrement years, 55+, Amenities

Well maintained, well located, great services

mature fauna, affordability, location

Appaling looking - well cared for

Environment, condo care, my age

Location, the grounds are kept up well, affordability

Economy, services, location

Location, pool and grounds, price

AZ climate and Green Valley weather, community feel in villas - close to amenities, pool/landscaping make area Was my parents, The overall way the condo Assoc. was run, the clean common areas - pride of ownership

Low cost, friends and family, safe

Close to my wife's daughter

Senior compex, appearance, pools

Purchase parents villa, maintenance good, financially stable

Good value for the price, at the time the property was neat and clean - not any more, great landscaping - very I thought it was going to be affordable but since raised HOA I am selling because I did not agree to \$215/\$200 is Community, low HOA fees, all the outside maintenance is taken care of by the villas, I don't have to go on top of my roof to make sure it is ok, I don't have to deal with contractors except for the inside of the condo. Villas Investment with limited personal use.

Beauty, serenity/quietness, family/friends

Cost of villa, great weather, good up keep of Villas West

Friends in area, area-desert, price

We like it here, when we travel it is safe to leave our home.

Location, vintage architecture and layout, landscaping (park like environment)

The way they are maintained and cost of living

beautiful landscaping with many large trees, price was reasonable for winter visits

Large mature trees, green grassy areas, affordable living space

Small home for my aging daughter and close to parents

Down size, can't take care of bigger property any more. Safe and easy lace for older person to live.

Reasonable cost/monthly and initial purchase, well kept up - attractive complex, surrounding area (mountains, Economy, location

HVAC, Water Heater maintenance included in HOA, trash/water heater included in HOA, beautiful parks and convenience to services, sense of community, ability to live indepently as long as possible

Birds - GV is part of one of th most famous birding areas in the world, mature trees, not having to be responsible for maintenance of key home features or having HOA complaining about my yard

The community feel. The beauty. And all the services provided.

Cost, convenience to mall, etc., friends nearby

Over 55 requirement, location of amenities (pools and landscaping), close to border

location, cost, cleanliness

get out of winter weather, warmer climate

financially solvent, allows pets, allows rental

wagrmer, more pleasant winters, friends in area

Retirement income (rental), location, size of unit

Affordable living based on social security income. Set-up of units without stairs and close parking to units.

Beautiful upkeep of grounds, walking areas and maintenance response to requests needed.

Living in it while home being built.

The price, it is pretty much centered to shops/restsaurants and medical offices, etc. and I have friends who can

Location, weather size of my condo

centrally located in community, appearance of grounds/buildlings, benefit of HVAC/hot water heater/direct mail delivery/all outside maintenance included

Love the location

Location, price

price, lovely community, feel safe

we love the area and plan to live there part time

Safety, minimal maintenance, affordability

affordable, good location

Retirement - expenses, nice unit floor plans. Beauty of grounds, cleanliness. What is offered - pools, shuffle Low cost HOA, Safe, Beautiful grounds

Well managed HOA, convenient location, attractive appearance

Near sister, will retire there eventually, inexpensive living

cost of living, attractive grounds

Affordable, attractive grounds, pool

Location, size of unit, care and upkeep

Manicured common areas, easy access to stores, activities

Location, price point, overall condition/maintenance of the property

Affordable, convenient to shopping - freeway nearby.

My mother and my husband and I owned it together and she lived their full time til her death. Love to visit in winter and love having friends and realtives stay there with. Beautiful landscaping and great management. Wish I inherited, but I like the location, small and easy to care for as am not full-time, like neighbors, pools and GVR Affordable, location, well maintained

Well-kept/maintained grounds, good value, near mountains/Tucson

size, location and location

location, seasonal, cost, convenience

environment, social, quiet

low cost, lush grounds, quiet

To relocate mother from NE and investment (rental)

Price, location, ammenities

Inherited from mother; will use it for sevearl years to determine if we'll keep it. Like weather, GVR, community When snowbirding - home away from home, stop hauling golf clubs to and from airlines, like the location of my unit (across from pool and laundry), like the manicured "look" of West Villas more than East Villas

Cost, Location, fiscally responsible

Attractive landscaping/buildings, location, affordable living

Cost, location, activities

Cost of unit, area - lots to do

Price, ground maintenance, central location

Green plants along with desert landscaping, central location, unique-well built and nicely designed buildings

A new beginning after becoming a widow, downsized, community of peers and friends

investment, quality, retirement

maintenance is taken care of by HOA, easy to come and go with no worries

value for money, well maintained property, amenities

my husband's sister needed a place to live

retirement, location, size of villa

Quality setting, good value for monthly HOA fee, reasonably priced housing.

Landscaping, weather, neighbors

close to relatives

cost, lower HOA, beauty of buildings and grounds, nice pools

age restriction, price, area

affordable, amenities, neighborhood

well cared for facility - turn key! (painting needs addressing), relaxing surroundintgs!, pride in ownership on the Low cost, grounds beautiful, sense of community.

Price, Parks, People

Size, by relatives, affordable

easy of golf, size, know people in area

safe - close knit community, pleasant surroundings of pool, landscaping, cost - low initial investment - HOA fees - however, the HOA fees are becoming a burden

Value, community

Villas West grounds and facilities were very well kept, the villa we purchased was ideally situated - mountain view and great interior décor and east facing patio! And fully furnished. HOA monthly fee cover larger major Price, location, 50+ age group

Affordable, no yard to take care of, very little maintenance

weather, charm of the neighborhood, affordability

my parents purchased it because they loved the atmosphere. I do too. AZ is beautiful and relaxing. It is well Grounds, pool, location

wanted to be in Southern AZ for 6 months of year, good location and value, well maintained price, location, upkeep

All that is covered by the monthly assessment, the uniqueness of the complex, the landscaping

like warm winter weather, safe, like to swim everyday

GVR, GVR, GVR

convenience, condition of a mature property, manageable size and affordability of my villa spend time birding

Affordable, attractive, quiet - yet neighbors are close by

Amenities, security, affordable

Close knit community, reasonable HOA fees, hiking/outdoor activities

Affordable so far, beautiful grounds thanks to good maintenance, very quiet - very charming structures

HOA - coverage, location in GV

Location, fees, facilities

Friendly community, landscaping, benefits of HOA

Relatives in villas west, price, accomodations

Location, appearance, costs

wanted to downsize, liked my location, love the pool and amenities

price, location, condition

my mother moved here seasonally in 1970. I purchased her villa on her passing - then purchased a double unit a place to live

location, cost, low maintenance

cost, centrally located, great neighbors

Centrally located in GV, The villas - size and cost, aesthetics of the property

To be closer to my sisters in Bisbee and Mesa but they have passed on. Something I could afford at the time good investment (rental)

Location, overall cost, soze of villa, expenses (H2) heater, air conditioning water, etc.) paid by HOA warm sunny weather in the winter months, close to daughter and her family, investment

Price, location, size

Care of outside, size of villa

I like the area but do not like the GVR mandatory fees. Villas West has what I need - pool.

Winter weather

clean, friendly, affordable

affordable - we purchased ours early 1990's, location - live in Southern AZ, investment - rental for first 22 years Home for my mother (now), investment, future retirement home for myself

small size, walkability, HOA covers exterior, HVAC, etc.

Interested in inexpensive lock and leave place, quiet, nice trees and feel of the area

The grounds and architecture, community feel, quiet area and amenities

Location, price, landscape

Affordable, green space, well maintained

close to family

Green space and landscaping is #1 by far!!! Value for the purchase price, unique architectual design of the villas Lived here 10 years as renters, liked the area and weather. Purchased our unit and been in it since 2017.

Simplicty, beautiful grass and tree areas

Appearance of yards and grounds, location within Green Valley, value

investment, income (rental)

Cost, climate/location, ambiance/grounds

The many things covered by HOA fees so I don't have to worry about (HVAC, roofs, sewers, landscaping, streets, pools, etc.), the quantity of common areas between bjuildings so does not feel crowded, central location in GV - Over 55 Community, Villa furnished, Price

For a retirement home, dry climate, great neighbors

Grounds upkeep wonderful, walking paths, pools, like villa residents, like association upkeep of villas if anything price, services covered by HOA fees, location - close to Tucson

Cost, size, convenience to services

Location, amenities, it's not Tucson

My monthly fee covers so many services - I think I can live here longer than could in my house because so much is taken care of, Location - am able to walk to many stores, It is relatively inexpensive to live here

Value, HOA coverages, Landscaping

My mother and I purchased Villa in the 70's because of my father's health. Beautiful weather, lots to do in The oasis feeling of the villas, inexpensive, friendly attitude

I purchased on of villas on Auction (rental)

Price

It's beautifully landscaped, reasonably affordable, convenient

to live in it

near friends, retirement

retired, warm climate, easy to shop

History of good management, especially compared to stories about Villas East, Appearance - well maintained, landscaping, quiet (for the most part), easy access to restaurants, drug store, banks

I could afford it when I first came to GV

Had friends in villas, economy, sunshine, grounds, pool

Small, close to stores - especially grocery stores, walgreens and medical buildings

Character, view, affordability

No maintenance housing, location, price

area

Landscaping, cost, social design

Location, price, appearance

Tall trees for hawks and owls, affordable for me, knew west villas had a good reputation for "upkeep" of their

Location - center of town, pool - well kept

Easy to come and go, plan on retiring here

Location, safety, friendly owners

As a winter get away from snow and cold, access to golf courses, well maintained complex

Location, HOA surplus, HOA landscaping and maintenance

To have a quiet, small cute little villa to heal

Pools, green spaces, price

Liked the aspect that villas west is for 55+ and its location, choose villas west because we visited my parents who owned a villa back in the 80's and 90's and really enjoyed visit, decided willas west was the complex we wished Beautiful location and surroundings (and weather), convenient/easy to use bvilla - not requiring a lot of Price, location, well-kept

Exterior maintenance - common grounds care, size of unit, good HOA

Charm, The "inclusions" in HOA fee, Price was right

Purchase price, view, nice people

Price, Location, Activities

Location, Price, all that is included in HOA dues

Location to pool, community living, quaintness and village area

Location to everything one needs in a small city - like grocery stores, tubac area, Sauhaurita area, Dr's, etc. we don't need to go to Tucson for anything - all in GV.

To house a family member, house family and friends visiting, to rent during the season (rental)

Price, the outside appearance - love adobe bricks, the landscape

Southwestern design, close to relatives, easy lifestyle

economics, simplicity, small space

Community, architecture, grounds

Convenience, Location, Maintenance free

Occupy during winter

Climate, area close to my sister

Beautiful/peaceful place, wonderful area, lovely neighbors
