

4 Community Theatre

Our Mission

4 Community Theatre (4CT) includes actors, singers, dancers and musicians from the entire metro area. Talents range from performance to technical skills in sets, costumes, design and lighting. Our performers cross generations from kindergarteners to grandparents. Our mission is to bring high quality theatre to individuals and families in our local community. We do this by creating opportunities for artists of all ages and supporting them through the years with our family productions, educational youth drama programs, including Orono Middle School's theater productions, technical internships, as well as our adult focused shows and beyond.

About 4CT

4CT originated in Rockford, Minnesota in 1998 and has since expanded to cover much of eastern Wright and western Hennepin counties. We value our ongoing partnership with our local schools districts including, Orono, Rockford, Delano and Wayzata. Our 2022-2023 season is our biggest yet and includes Mary Poppins, She Loves Me, Sideways Stories from Wayside School, Disney's Descendants, a spring time one act festival and a Cabaret! As we continue to draw patrons from the surrounding communities, and rental spaces within the school districts is harder to come by due to growing student populations, it is our goal to create a blackbox theater in the area to create more year-round access to the arts in the community.

Your Support

Your donation will support hiring high quality directors, stage managers, choreographers, music directors, set designers, costumers and more. It will allow us to keep ticket prices low in order to provide access to the arts for underserved populations, as well as help us purchase the rights to high quality shows. Every dollar of your donation goes towards creating high quality arts access in our community while supporting live local theater!

4 Community Theatre is a tax exempt organization as described in Section 501(c)(3) of the Internal Revenue Code; EIN 85-0812769. No benefit is bestowed upon donors in exchange for contributions other than the joy of giving to an organization that supports theatre access in western Hennepin and eastern Wright counties.
