

Meet our Staff

Tammy Allred
MS, EI Specialist,
EI Clinical Supervisor

Tammy earned a Bachelor's degree in Special Education-severe/profound and early childhood and a Master's Degree in Vision Impairments-Birth to 3 from USU. She worked 2 years as a developmental preschool teacher and then 12 years for the Utah Schools for the Deaf and the Blind as a birth-3 vision specialist. Since 2010 Tammy has worked for the South East Early Intervention Program serving kids in Emery and Carbon counties as an Clinical Supervisor, EI Developmental Specialist and Service Coordinator.

Stormee Bennett
Registered Nurse

Stormee is a Registered Nurse of 20+ years. Her work experience has included providing care for a variety of patients and their families in surgical and emergency medicine. Now working part time at South East Early Intervention, she loves being involved in community care and support that benefits children and their families.

Kathi Bodily
MS, CCC-SLP
Speech Therapist

Kathi is an ASHA certified speech-language pathologist specializing in pediatric communicative and oropharyngeal disorders. She received her Master's Degree from Utah State University in 2003 and her Certificate of Clinical Competence (CCC) in 2004. She previously worked as a school based therapist for the Box Elder School District and as an early intervention SLP with the Up to 3 Program in Cache County. Kathi currently provides speech, language, and feeding services to the children and families served by the South East Early Intervention Program.

Janel Boyer
Early Intervention
Specialist

Janel Boyer received her Bachelors degree in Family Consumer and Human Development with a family and community services emphasis in June of 2007. She received her Early Intervention credential in November of 2008. Janel is currently an Early Intervention specialist with the South East Early Intervention Program in Carbon and Emery counties. She loves her job working with children birth to three years old with developmental delays and their families. Janel recently became a certified trainer for the Hanen, Learning Language and Loving It program and has provided this training to other staff at South East Early Intervention.

Lois Boomer
MOTR/L
Occupational
Therapist

Lois is an Occupational Therapist and special educator who has worked in early intervention for many years. She has expertise in adaptive equipment, feeding issues, sensory integration, and overall development. After working for the last 20 years in Utah she is now semi-retired and living in Colorado. She continues to provide consultation services to South East Early Intervention Program as well as following a small group of little ones in Colorado.

Morgan Broderick
Early Intervention
Specialist

Morgan has received her Bachelor's degree in Social Work at Utah State University Eastern, and has received her Early Childhood Credential during her time at South East Early Intervention. Morgan has worked in many local programs throughout the area including Symbii Home Health and Hospice and multiple of USU Eastern volunteer programs. She is most excited about working with families and helping children reach their highest potential.

Michelle Burton
Physical Therapist
EI Clinical
Supervisor

Michelle is a Clinical Coordinator and Physical Therapist for South East Early Intervention Program (SEEIP), serving children ages 0-3 with developmental delays in Grand, Carbon and Emery counties. She was lucky enough to find her way back to her hometown of Moab when she was invited to join the SEEIP team in 2011. She has been having the time of her life living and working in this spectacular setting following her passion to support young children and their families. She received a Bachelor of Science in Athletic Training from the University of Nevada, Las Vegas in 1996. She obtained her Master of Physical Therapy from the University of Puget Sound in 2000, while living in yet another spectacular part of the country, the Pacific Northwest. Michelle has found the field of physical therapy tremendously rewarding. She loves to support children in achieving mobility in order to interact with the world around them.

Janeal Dugmore
Program Coordinator
Service Coordinator

Janeal has worked for South East Early Intervention since 2016. She holds an Early Intervention Administrative Credential and serves as the SEEIP Program Coordinator as well as a service coordinator. She received her Bachelor's degree in Business with an accounting background from Utah State University in 2006 and recently completed a 2nd Bachelor's Degree in Communicative Disorders and Deaf Education. Janeal is currently working on her Master's degree in Speech Language Pathology.

Meet our Staff

UtahStateUniversity®

Megan Eliason
Early Intervention
Specialist

Megan is from Cedar City, Utah. She graduated from Southern Utah University in Family Life and Human Development. She has worked for several years with children with Autism and other disabilities, specifically doing ABA therapy. She loves helping others and finds a strong sense of fulfillment in helping those with disabilities gain new strengths and become independent.

Melissa Frandsen
Early Intervention
Specialist

Melissa received her Bachelor's Degree in Social Work in 2012 from USU - Moab. She started working for the South East Early Intervention Program in 2013. She received her Early Intervention Specialist credential in 2015 and is currently working part time while being home with her own young children. She serves children 0-3 with general developmental concerns and has a great interest and focus on children with speech and language delays.

Audrey Graham
Early Intervention
Specialist

Audrey Graham graduated from USU with a BS in Environmental Studies in 1983. She worked as a seasonal visitor protection ranger for the National Park Service from 1981-2000. During that time, she enjoyed working at Joshua Tree, Mesa Verde, Canyonlands and Arches National Parks. She now works for SE Early Intervention in Moab, Utah, under the administration of USU's Persons with Disabilities Program. Since the year 2000 she has served infants and children under 3 with developmental delays in the Moab Area. Audrey specializes in children with behavioral issues, speech problems, and attachment issues. She enjoys hiking, skiing, roller blading, and sewing during her free time.

Kathi Kearney Reaves
Registered Nurse

Kathi is a Registered Nurse who retired after 29 years as a Public Health Nurse with the local Health Department in South Eastern Utah. She has been involved with Early Intervention for 25+ years providing direct services as well as serving as the previous Program Co Director. She is currently working part time as a nurse consultant/mentor with the South East Early Intervention Program serving children and families in Carbon, Emery and Grand Counties.

Pam Rodriguez Norton
Office Administrator

My name is Pam Rodriguez Norton and I have worked for CPD/South East Early Intervention for 8 yrs. I am married and have two kids, Abby and Vance. I love spending time with my family and my dogs. They are amazing. I really enjoy my job and the people I work with. I love seeing how much of a difference we can make in the lives of our clients.
