BRIGHTER FUTURES

Local kids, local impact

Community Starts Here.

MORE THAN CLOTHING.

WE PROVIDE CONFIDENCE, DIGNITY AND BRIGHTER FUTURES.

Boxes of Basics provides complete seasonal wardrobes to local children experiencing clothing insecurity helping them feel comfortable, confident and ready to participate in school and everyday life.

CLOTHING INSECURITY

Clothing insecurity is defined as the lack of consistent access to clothing that is properly fitted, seasonally appropriate, and in good condition

An estimated 2 out of every 5 children in the United States, experience clothing insecurity

WHO WE SERVE

Local children facing clothing insecurity are identified and referred by trusted partners including schools, other nonprofits and human-service partners.

WHAT'S IN A BOX?

A complete seasonal wardrobe from everyday outfits and pajamas to new shoes, socks, underwaer and hygiene essentials.

Each outfit is hand selected, wrapped, labled and presented as a gift to a local child in need.

His teacher shared that before receiving his Box, he lacked confidence coming to school because his clothes were worn and too small.

> *"After receiving his Box of Basics, the child began waking up 30 minutes early each day just to pick out his outfit."* – SCHOOL SOCIAL WORKER
