www.bboxesofbasics.org

Let's work together to help give
the gift of clothing to children in
Prince William County!

Step by Step Guide

Step 1: Decide

Decide to host a drive and choose which item/items you will collect. New socks, shoes, and underwear are urgently needed. New or gently used winter coats, children's books or a gently used clothing drive are options. You can even host an online only drive using our Amazon Wish List. The choice is up to you!

Step 2: Announce

Make the announcement! Reach out to your sphere of influence and let the world know you are hosting a donation drive for Boxes of Basics.

Make sure you include which items you are collecting, where people can drop off donations and the date or date range you will be collecting items. Use the flyers, email templates, press release and social media announcements included in this toolkit!

Step 3: Collect

Start collecting! You can use a plastic bin or box to collect items. Use our pre-designed collection box flyer in this toolkit or create your own. If you would like to pick up a donation box from Boxes of Basics HQ located at 9323 West Street Manassas VA just let us know and we are happy to provide you with one.

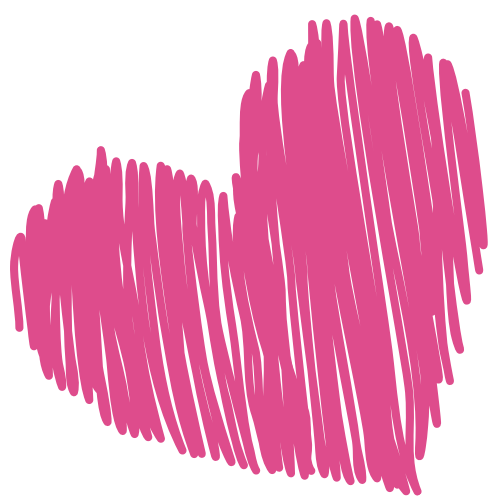

Step 4: Deliver

After your donation drive please contact us at info@boxesofbasics.org to coordinate a date/time to drop off donations to the Boxes of Basics HQ at 9323 West Street Manassas. Please do not leave donations on the porch. We need to make sure someone is there to bring the donations inside.

Step 5: Celebrate!

Celebrate your accomplishments and thank your supporters! Use our thank you email template and pre-designed social media posts to thank everyone who participated in your drive.

About Boxes of Basics

How Does Boxes of Basics Work?

Step 1 Collect

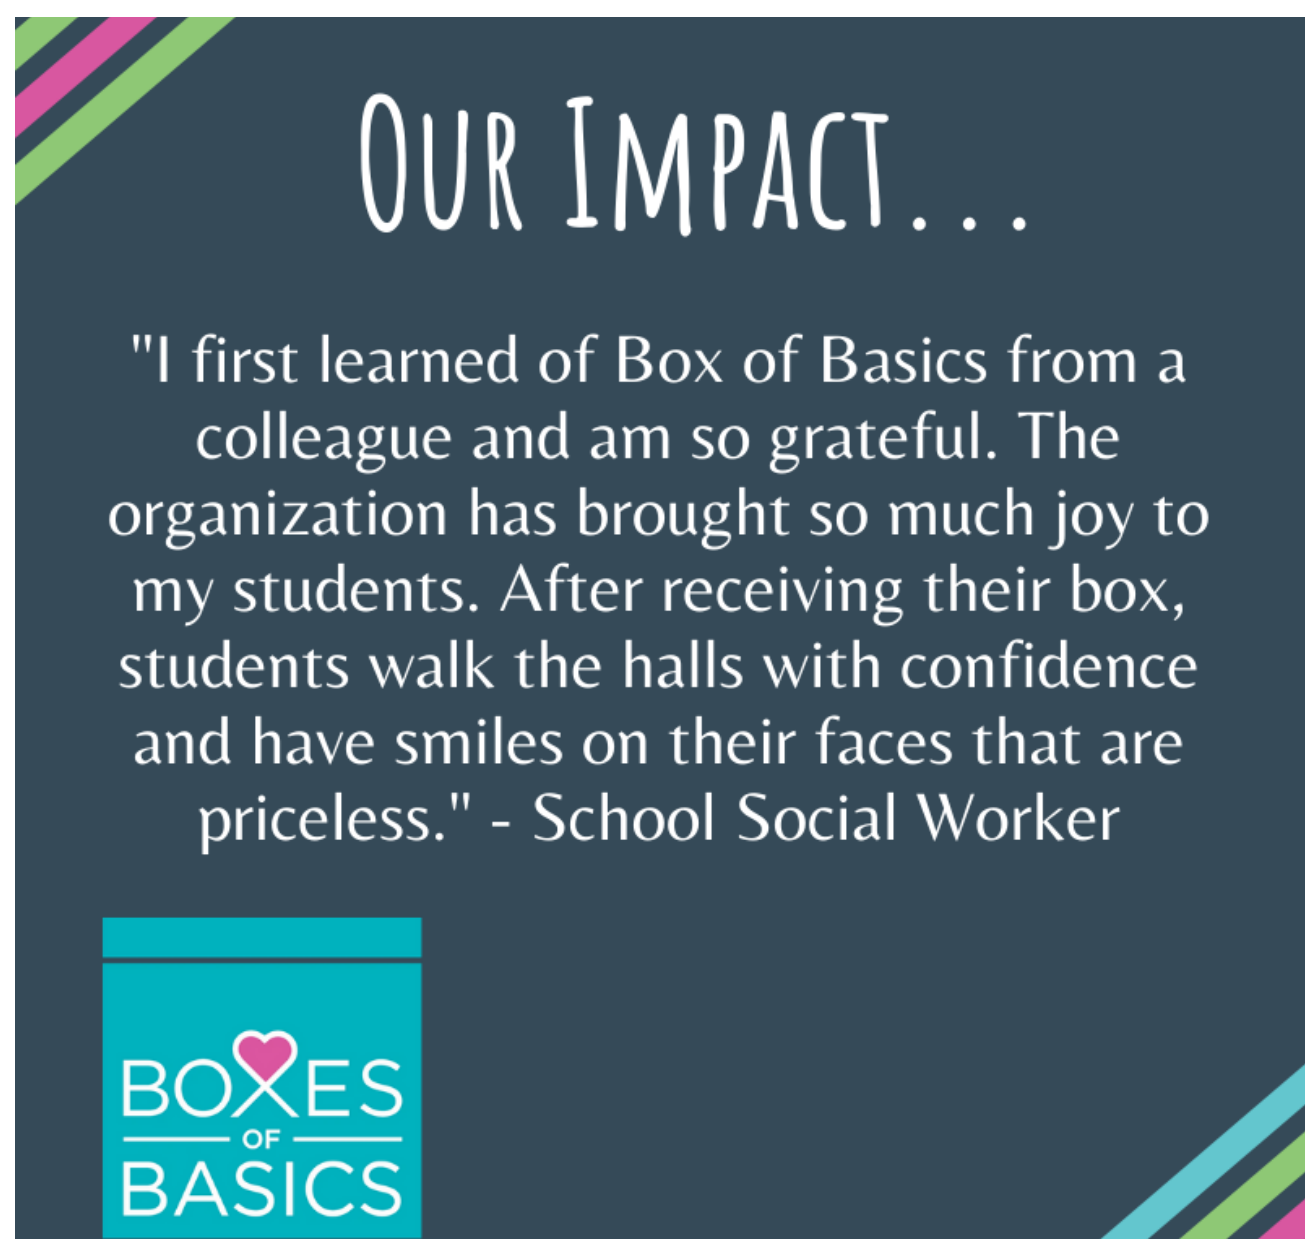

Boxes of Basics collects quality new and gently used clothing donations from community clothing drives.

Step 2 Pack

Our amazing volunteers help sort and pack the Boxes of Basics for children in need.

Step 3 Distribute

We work with local schools, charity, government and religious organizations to identify and serve those in need.

What's In the Box?

Each Box of Basics contains a season's wardrobe of quality clothing based on the child's age, size and gender.

Boxes are packed with a variety of school outfits, play clothes, pants, shirts, dresses, pajamas and one "Sunday Best" outfit. Boxes also include a winter coat, new underwear, new socks, shoes, a dental hygiene kit and an age appropriate book.

Each outfit is hand selected wrapped and labeled. When a child receives a Box of Basics we want them to feel like they are opening a gift.

Who are the Children We Help?

Children in need are identified and referred to Boxes of Basics by a variety of local organizations including other nonprofits, schools, churches, government organizations and more.

Here are some referrals we received in the past. Because of support from our donors and community we have the ability to say, "Yes, we can help you!" to these requests.

"R. is a second grade student. He is currently living in a hotel with his mother and is in need of clothing."

"S. struggles in school but he is a nice and well mannered boy. His home life is challenging with multiple caregivers and a single mother. Mom recently lost job and is looking for new employment, and family struggles financially."

"Grandmother has recently been given custody of her three grandsons. They are in need of clothes for the new school year."

If your organization would like to host a holiday angel tree simply copy and print out these angels. You can fill in items you would like to collect for Boxes of Basics.
