Financial Assistance Arrangements

Our facility offers financial assistance/charity care to those patients in need who may qualify. We will require that you complete an application for financial assistance that provides information about your income and expenses. This will allow us to evaluate your needs and qualifications for financial assistance/charity care.

Collections

Prior to your scheduled procedure, we will contact you to advise what will be due from you prior to your surgery. We expect the amount estimated due to be paid on the day of your surgery when you check in.

If you need special consideration for payment of the amount due, you must contact us prior to the date of the planned procedure. You may qualify for a payment plan if determined eligible.

Failure to pay the balance due may result in your account being turned over to a collection agency.

Health Related Data And Pricing

Health related data, including quality measures and statistics for defined procedures can be found on the Agency for Healthcare Administration website at <https://www.floridahealthfinder.gov/index.html> The service bundle information is a non-personalized estimate of costs that may be incurred by the patient for anticipated services and that actual cost will be based on services actually provided to the patient.
