# FIRST STATE DANCE ACADEMY

## WELCOME CHECKLIST

---

Welcome to the exciting world of dance!

- \_\_\_\_\_ Register online at [www.firststatedance.org](http://www.firststatedance.org)
- \_\_\_\_\_ Pay the registration fee (or we will process it when we see you've registered) to reserve your child's spot in the class(es). Non-refundable unless the class gets canceled.
- \_\_\_\_\_ Come to FSDA during business hours with your child(ren) to purchase the required uniforms. Business hours during the school year are M-Th, 5:30-7:30 pm and google us to see our summer business hours, visit our website, or email us for an appointment.
- \_\_\_\_\_ For the year-round classes, please read the parent handbook available on our website or at FSDA to learn our policies.
- \_\_\_\_\_ Set up how you'll pay for the monthly payments (10). Debit cards will have **no** usage charge, but credit cards will. You can also pay the whole year upfront with check or cash to receive a 5% discount on tuition.
- \_\_\_\_\_ Communications happen via emails, phone calls, texts, parent bulletin board through our software program (portal), dry erase board in the lobby, postings on the bulletin board in the back of the lobby, social media, and our website. We do not send flyers home.
- \_\_\_\_\_ Bring the dancer(s) to the studio, in dress code ready to take class. Do not allow them to wear their dance shoes outdoors. Make sure the hair is properly secured to their head so they won't be sent back to you to fix. You can visit YouTube for videos to help create a ballet bun or see our receptionists for help.
- \_\_\_\_\_ Have your child use the bathroom BEFORE class so they won't have to leave the class and cause others to "have" to go too. Chain reactions are common.
- \_\_\_\_\_ Classes can be observed in the lobby on our televisions. Some cameras have live video links to share with your spouses (very limited on the # of users to remain live-do not share with anyone else for this reason). Lobby space is limited.

Thank you for trusting your children with us! We have in business over 20+ years and are proven successful with our training! You have made the right choice with your investment and for your child's future!
