

Dominion Riders Foundation

Official Membership Program — 2026

“Ride with Purpose. Stand with Honor. Roll as One.”

The Dominion Riders Foundation is a brotherhood and sisterhood built on the twin pillars of the open road and unwavering community service. We exist to uplift disabled veterans and riders, strengthen the communities we ride through, and cultivate a riding culture rooted in honor, discipline, and genuine care for one another. From charity runs to volunteer deployments, every mile we log carries a mission beyond the destination. Together, we don't just ride — we represent something larger than ourselves, and we invite you to be part of it.

Member Code of Conduct

Membership in the Dominion Riders Foundation is a privilege and a responsibility. Every member, regardless of tier, agrees to uphold the following standards as a condition of their membership. These principles are not rules imposed from above — they are the values that already live in the hearts of the kind of people we welcome into this community.

- **Respect for All:** Treat every rider, community member, veteran, volunteer, and partner with dignity and respect, regardless of background, experience level, or affiliation.

- **Commitment to the Mission:** Honor the Foundation's core purpose of community service, veteran support, and charitable giving through active engagement and personal integrity.
- **Represent with Honor:** Whether in the saddle or on the sidewalk, in uniform or in plain clothes — carry the Dominion Riders name with pride, professionalism, and character.
- **Compliance with the Law:** Abide by all local, state, and federal laws while riding and attending Foundation events. Safe riding is non-negotiable, and unlawful conduct will not be tolerated.
- **Abstain from Disrepute:** Avoid any behavior — on or off the road — that brings embarrassment, harm, or disrepute to the Foundation, its members, or its partners.
- **Active Participation:** Contribute to the community when able — through event attendance, volunteer service, charitable giving, and genuine support for fellow members.
- **Uphold the Brotherhood and Sisterhood:** The bond we share as Dominion Riders is our greatest asset. Protect it, nurture it, and never take it for granted. We rise together or not at all.

◆ ENFORCEMENT

Violations of the Code of Conduct may result in suspension or permanent revocation of membership at the sole discretion of Foundation leadership. Members are encouraged to report conduct concerns confidentially to info@dominionriders.org.
