

Pool Rules, Waiver & Release

Wolf Mountain Kennel, LLC Dock Diving Pool Use Waiver

THIS AGREEMENT is entered into by and between Wolf Mountain Kennel LLC (hereinafter referred to as WMK and Dog Owner (hereinafter referred to as "Owner").

By enrolling my dog(s), I represent that I am the legal owner of the named dog(s) and I assume all risks, dangers and responsibility for injuries to the named dog(s). Owner understands and agrees that Owner is solely responsible for any harm to Owner's dog(s) while Owner's dog(s) is/are attending WMK.

Each swim is different per pet and may include such activities as jumping, diving, swimming, and floating and/or toy retrieval. We recommend consulting with your veterinarian to be sure your dog is healthy enough to engage in dock diving.

Dock diving, like any sport, may result in serious injury or death to humans or dogs even with safety precautions. Due to the nature of the sport, dogs and humans will be walking on ramps, docks and decks that may be slippery or in disrepair. Please go slowly and use caution on ramps and pool decks.

In the case of pool rentals, Dog Owner attests that the dog knows how to swim and use a diving dock. WMK, its employees or property owners do NOT provide supervision, guidance, training, lifeguard services for people or dogs. Dog Owner should provide any floatation device needed for the dogs or people, and Dog Owner is responsible for the dog and their own safety during the use of pool for rentals, practice, or competition.
