

## SUCCESSFUL PEOPLE VS. UNSUCCESSFUL PEOPLE

The difference between successful and unsuccessful people is not only that successful people know what they want and set the goals needed to reach those goals, they also have compelling habits. Take a look at the following list. Do you see yourself as a successful or unsuccessful person? If you feel you're unsuccessful, what can you do, or what positive habits can you pick up or change?

SUCCESSFUL PEOPLE	UNSUCCESSFUL PEOPLE
Read everyday	Watch TV everyday
Compliment	Critize
Embrace change	Fear change
Forgive others	Hold a grudge
Talk about ideas	Talk about other people
Continuously learn	Think they know it all
Accept responsibilities for their failures	Blame others for their failures
Have a sense of gratitude	Have a sense of entitlement
Set goals and develop life plans	Never set goals
