

Parent Commitment Form

I understand that Crowned was designed to cultivate aspiring women to protect their ethical standards first as sisters, to promote personal development and to exemplify the gift of service with confidence. Basic mannerism is not the organization's main objective. However, I realize the organizations creative vision will depend on full participation of each initiate and parent/guardian. I will encourage my child to attend every meeting and to come engaged. I understand that time management is a pivotal part of the workshops, so being on time is very important. I will discuss this agreement with my child and remind her of this commitment as necessary. Participants will need to attend at least 80% of workshops to take part in The Finishing Agenda.

- I will ensure that my child will be available to take part at each workshop.
- I will be responsible for picking up and dropping off my child.
- I will adhere to uniform guidelines and requirements.
- I will communicate any barriers that may occur with urgency to appropriate personnel.
- I will comply to the confidentiality of the co- initiates and parents of the organization.
