KEY WEST, Fla., Jan. 29, 2018 /PRNewswire/ -- Santa Maria Suites Resort in Key West Florida was recognized as the No. 6 ranked hotel in the United States by the coveted TripAdvisor 2018 Top 25 Hotels Travelers' Choice awards for Hotels. Travelers' Choice award winners are based on the millions of reviews and opinions collected from travelers worldwide.

Santa Maria Suites

"We are honored to be the recipient of this prestigious award and I thank all of our valued guests for taking the time to write about their experiences at the Santa Maria Suites that allowed us to be named the #6 in the United States. It is truly a testament to our staff's relentless strive for excellence and total guest satisfaction," stated Marc Meisel, CEO of Meisel Holdings Managed Services, management company for the Santa Maria Suites Resort.

Santa Maria Suites has received several other awards and accolades, including ranking #1 Hotel & #1 Resort by U.S. News and World Reports Best Hotels, #1 Key West hotel by Fodor's Travel, The TripAdvisor Certificate of Excellence, Award of Excellence from Booking.com, Expedia's Insider Select Award, and named one of USA Today's top 10 Key West Hotels.

"Since we took over management of the Santa Maria Suites Resort one of our main objectives has been to focus on customer service and exceed customer expectations. The rewards and accolades received can be construed that we have been successful in accomplishing this. To think that there are over 50,000 hotels in the United States and we are rated the #6 Hotel in the country is an unimaginable honor," said Marc Meisel.

The luxurious Santa Maria Suites Resort is an escape from the ordinary, offering two-bedroom suites in the heart of Old Town Key West. Each two-bedroom suite provides a designer kitchen, granite counters, bright and airy living room and three 48" TVs. French doors reveal a spacious patio with the scents of tropical flowers, fresh ocean air and impressive views of the two pools and courtyard. Decadent bedding and spa-like bathrooms with natural stone and rainfall showers allow for complete immersion in relaxation.
