**Terms & Conditions:**

Leisure Life will exercise reasonable caution when performing any service; however, we cannot be held responsible for damage to yours or your neighbors property or equipment.

Customer is responsible for removal of water and debris from cover. If cover has not been cleared of debris and dirty water prior to service, what remains on the cover may end up in water when cover is removed. Prior to our arrival obstacles must be removed from the pool area to allow for removal of pool cover. Please be sure outside water spigot and electrical outlets are in working order. Customer must have skimmer basket(s), hoses, wall fittings, etc. poolside. If items are missing they will be replaced and parts invoiced to customer. If pool and equipment is not prepared and available at the time of arrival (cover is not drained, equipment is not poolside) and Leisure Life is not able to perform service, customer will be charged an \$ 85.00 service charge. Customer will need to contact Leisure Life to reschedule service.

Customer is responsible to raise water level for proper operation. Leisure Life will not fill pools. Current water hauler information is located on our website ([www.leisurelifepoolandspa.com](http://www.leisurelifepoolandspa.com)) under the Resources/Links heading.

Payment is required at time of service.. Credit Card can be placed on file for processing at completion of service. Forms of payment at time of service are Cash, Check, or Credit Card. Customers who will not be present at time of service are required to have Credit Card on file or prepay service.

An email address is required of all customers to facilitate billing/payment. We will ask for a number to text reminders and for more timely communication.
