

Lacheln WC

## Our Mission

Established in Green Bay, Wisconsin the Lacheln Watch Company's goal is simple; provide high-quality watches at affordable prices for people who embrace the outdoors. We believe that everyone should have access to stylish, reliable timepieces that they can wear with pride. Our watches are ruggedly built and easy to read, allowing you to focus on the hunt or the catch.

## Green Bay is Our Home and Inspiration

Lacheln Watch was started in Green Bay, Wisconsin for people with an appreciation for hunting and fishing. Our tool watches are made to be worn without compromising features, comfort or durability. We are fully committed to providing a truly compelling value for our friends and neighbors. The model 909 is the first of many original designs in the making from Lacheln.

## Features and Design Highlights

Each 41mm case is fully brushed to reduce signs of wear and use. All watches feature a robustly designed NH35 automatic movement that never needs a battery, sapphire crystals with AR coating, logo engraved crowns and rotating bezels, 5 ATM water resistant, quick release 20mm leather straps, hands with lume, and a second's hand that is reminiscent of a compass dial, providing a timeless blend of style and value.
