

New Appointment Guidelines

Please answer the health questionnaire in your email before coming to your appointment and each time you come for the remainder of this pandemic. If you have had any cold, flu, fever or allergy like symptoms you will be asked to reschedule.

No walk-ins will be permitted. You must have an appointment to enter.

Please wait in your car until we text you or let you know that it's time to come into the salon. Please only bring personal belongings that you can carry. Pocketbooks and cases will not be permitted. Only one customer per stylist will be allowed in the salon at a time.

Please use the hand sanitizing station at the door as soon as you enter. The area where you will sit will be sanitized before you enter the salon.

You must wear a face mask during your appointment. Please bring your own disposable mask to your appointment.

All of our stations are 6' apart. Please be conscious of social distancing guidelines and keep your distance from other clients during your appointment.

We will not be allowed to shampoo your hair unless you've had a chemical service. Please arrive with clean hair on the day of your appointment. We are not allowed to blow dry or style your hair. Please schedule accordingly.

All of our stylists have been certified in proper disinfection procedures. We will take every precaution available to protect your safety however we cannot guarantee it. You will assume all of the risk involved.
