

## A Welcome Letter From Our Center Administrator

Welcome! Welcome! Welcome!

Dear Prospective Parents,

A popular childhood song goes, “The foolish man built his house upon the sand, and the house came tumbling down,” but “the wise man built his house upon the rock and the house on the rock stood firm.” (Matthew 7:24-27) Every child needs a firm spiritual and academic foundation.

At .beKIDZ, we have a **mission** to affect our community by providing children with excellent care in a safe and Godly atmosphere.....The goal of our Mother’s Day Out, Pre-K, Kindergarten and 1<sup>st</sup> -3<sup>rd</sup> grade center is to continue the building of a foundation begun by parents and the church by emphasizing spiritual, intellectual, physical, and social growth based on the solid rock of Biblical teachings.

It is our desire that this will enable young children as they grow to “stand firm” in their Christian beliefs, while also teaching that they are each a special and unique creation of God, living and growing in His world.

We use the A-Beka curriculum paired with age appropriate, creative hands-on activities that incorporate kindergarten and 1<sup>st</sup> grade readiness skills. In addition, we offer music, piano, dance and other extra curriculum activities.

We are affiliated with True Vine Christian Academy School and A ministry of True Vine Christian Center Church and together with Christian School International and Abeka certified teachers and staff, we provide an outstanding, Christ-centered learning environment.

We would be honor to have your child come to our center and discover how we are “building a foundation” for God’s children.
