

Dear Families:

I trust that everyone is keeping up to date with the information about Coronavirus and it's impact on our community. I am receiving updates daily from the state, and the school is following all guidelines we receive.

I need to make you aware of some recent guidelines that will affect our school and families.

### **Cleaning**

The school will continue to follow all recommendations for cleaning and disinfecting the facilities.

### **Closing School**

If we become aware of any student or employees that test positive for Coronavirus, we will close school for a minimum of three days for a thorough cleaning. If we have more than one positive test result then we will close for fourteen (14) days.

### **Illness**

If your child is sick, please do not send them to school. If anyone in your family shows symptoms of the COVID-19 virus, contact your doctor or healthcare provider about being tested. If anyone in your family does test positive then contact the school so we can take recommended action. All information will be kept confidential.

Sincerely,

Dr. Sandra R. Rhodes, D.Min.

Administrator

True Vine Christian Academy School-beKIDZ EC.
