

Hello, Hockey Families and Fans!

If you missed our first email blast, [click here to read it!](#)

Thank you again for all of your support and encouragement as Coachella Valley Youth Hockey Foundation has gotten off the ground! We are so excited about what's to come and today we have a few announcements!

GEAR SALE GOES ONLINE

Previously we planned to throw a Gear Sale event where people could purchase gently used sports gear, but we've changed our plans and have now created an online store! This will allow a

lot more flexibility to families—now you don't have to be at the event at a specific date/time but can place an order anytime you need something! We hope to keep this open through the year so please feel free to shop preseason as you get ready for 2018-2019 but look at the store if you need something mid-year. Don't forget, we have more than hockey gear, so check out the Gear Sale Store for baseball, golf, even skiing!

We've also added two convenient features:

1. You can select "Pick Up In Person" as your shipping option and we can bring

the item to you or meet you somewhere. This way, you avoid shipping fees! Just select that option, then email president@cvyhf.org to set up a location and time.

2. You can pay in person. If paying online is easy for you, go ahead and do that, but if you'd rather pay in person you have that option too (and you will save us the processing fees!)

Please note, we are legally required to charge sales tax. That requirement would also have applied if we had a live event.

We are still accepting gear donations and will continue to do so. Please let us know if you'd like to donate and will arrange pick up with you and get you a receipt for your donation. And since this is now an online event, if your kiddos outgrow their gear mid-season, please donate it then!

We are so excited to open the Gear Sale because we think it will help connect families to the gear that they need at a fraction of the cost, and it will serve as a fundraiser for our local hockey teams! Please share this information with anyone you know who might need any kind of gear or who might be willing to donate.

While you're shopping, add a CVYHF Tote Bag to your order!

This item is non-taxable and your purchase of it can be considered a charitable donation!

CVYHF BECOMES AN AMAZON SMILE CHARITY

If you've never heard of Amazon Smile, it is an easy way to help charitable causes while you shop! Just [click here](#) and set it up. You can choose Coachella Valley Youth Hockey Foundation as your cause and 0.5% of all of your Amazon shopping will come to us as

a donation. Just make sure you're on smile.amazon.com instead of just amazon.com!

WE NOW ACCEPT ONLINE DONATIONS

Our website now has a way to make an online donation. If you, or anyone you know, wants to contribute to our cause, that is a convenient way to do it! Just [click here](#) to learn how to donate in a way that works best for you! Thank you for your support!

SPONSORSHIP PACKAGES

We have created a sponsorship package and have begun sharing it with potential sponsors. If you know of anyone we should approach, or anyone you are willing to approach on our behalf, please let us know. There is no donation too small and we are happy to work with potential supporters on a package that works for them.

Again, we thank you so much for your support! This is just the start of some great things! If you know someone who should be receiving these emails, forward them this email so they can subscribe too!
