Please join us in walking for freedom from human trafficking and exploitation at the Cricket Field on Belle Isle. We have an opportunity to bring the Metro Detroit community together with a singular goal – to create a highly visible network of service providers. We look forward to hosting you on beautiful Belle Isle!

HUMAN TRAFFICKING RESOURCE FAIR

SATURDAY, MAY 17, 2025

BELLE ISLE, MICHIGAN

“Change will not come if we wait for some other person or some other time. We are the ones we’ve been waiting for. **We are the change that we seek.**”

RESOURCE FAIR

The objective of the Human Trafficking Resource Fair is to promote awareness around the myriad of services available in the Metro Detroit area, for those who have survived human trafficking and exploitation.

By bringing our community together, we will be able to effectively assess our strengths and weaknesses and determine where there may be gaps in service.

This is also an opportunity for service providers to network and build relationships, with the goal of facilitating education and advocacy.

5K FREEDOM WALK

For those people who know very little about human trafficking, there are numerous misconceptions and many who do not believe that human trafficking exists.

The purpose of the 5K Freedom Walk is to raise funds to support Sparrow Freedom Project's mission and help shed light on the reality of human trafficking in our region and beyond.

During the event, walkers and attendees will have access to life saving information about human trafficking, including the myths and the realities of this dark underworld.
