Dear Mrs. Faust,

After nearly a full school year since CSISD implemented the **4-day school week**, we want to gauge how the change has affected your family. Although we have seen an increase in student extracurricular participation and outside involvement, we acknowledge this change comes at a cost. We want to know how life has differed for you and your student in order to make a more informed decision on whether or not to continue this new learning style.

Your opinion matters to us, which is why we are releasing an **upcoming survey** for all families in the China Spring Independent School District. The survey will consist of questions concerning your student's extracurricular participation, childcare, food security and more. To provide the best experiences for every family, we hope the survey serves as an opportunity to relay any feelings you have concerning the new school week.

Be on the lookout for an **email** from the CSISD office of administration, which will **contain a link to the survey**. The email should be sent to every family within the following week.

Best,

Marc Faulkner

Subject: Heads Up! Survey is Coming Your Way!

Dear Mrs. Faust,

Be on the lookout for an email from our office. **Tomorrow at 10 a.m.** there will be a survey link sent to every CSISD family concerning the implementation of the **4-day school week**. We recognize this modification to the school week not only impacts students, but also family members. We want to provide the best experience for every family. This survey will allow you to share any feelings you have concerning the implementation.

Questions will be centered around your student's extracurricular participation, childcare, food security and more. There will also be a free write section, just in case you have a more specific concern.

We are eager to hear from your family. If you have any questions, please feel free to reach out to us by responding directly to this email.

Best,

Marc Falkner
