## READ THOROUGHLY

I am available on Tuesday, Thursday and Fridays for tattoos + alternating weekends (not always guaranteed but please ask if that works best for you).

Once I know what you're wanting I will book you an appointment and send an invoice to collect the non refundable deposit. The deposit can be transferred to a new appointment if canceled within 72 hours. It will be forfeited if you are a no show/late cancel.

TATTOO REQUEST - Please include as much description you can about what you'd like, including font preferences, photos or parts of an image you like and don't like. I will create you your own design/s before your appointment and once you are at your appointment we will sit down and go over the designs/make any changes you would like until you're 100% happy with them.

**I DO NOT TATTOO FEET, FINGERS, OR ANYWHERE ABOVE THE NECK.** Please include a rough size for each tattoo you'd like, I will provide at least 5 size options based around your preference on the day.

## NOTE FROM LACUNA & CO

If you are wanting something specific you need to include as much information as possible. If you're wanting to change your design or what you want you need to do this 48 hours before your appointment so I have time to re draw your new design and adjust timing. If you don't want all of the tattoos you've sent through please let me know so I can amend the timing.

Tattooing minimum is \$180 and goes up by piece & intricacy, let me know if you would like a rough quote once you've sent through all the tattoos you'd like.

Fine line tattoos may require touch ups especially when using coloured ink or when you are tattooed on any high traffic areas, this is between \$30-60. I will make you aware of any high traffic areas on the day.
