

WE ARE OPEN. THE CONCESSION STAND IS OPEN.

Visit www.northgratiohall.com and click on the “Bingo Sessions” tab for our full schedule. The below rules need to be followed in order for us to remain open.

- **Per CDC guidelines individuals who are fully vaccinated are not required to wear a mask.**
- **Those individuals who are not fully vaccinated are required to wear a mask unless you are seated and actively eating or drinking. Per CDC guidelines, masks must cover nose and mouth, be secure under chin, and fit snug to the sides of face. Masks with an exhaust valve are not allowed. You may also wear a face shield in addition to your mask, but not by itself.**
- **In order to properly social distance you are required to sit where there is a “sit here” sticker. There will be one player per table, however there are tables next to each other. If you bring your friends and family, you can still sit by them, just a little farther away than previously. Please don’t move chairs.**
- **While lining up to enter the hall, please stand on the bingo balls which have been painted on the sidewalk. They indicate proper social distancing spacing. DO NOT BUNCH UP BY THE DOORS.**
- **There is now only one entrance door. Upon entering, you will be temperature checked and asked some standard COVID-19 screening questions. Be sure that you can pass the standard COVID-19 screening questions and temperature check before you drive out here. A wristband will be given to be worn at all times. It lets the workers know you have been screened and keeps count of the number of people entering the hall. Contact tracing information is still required upon entering.**
- **When in the hall, we ask that you try to stay seated as much as possible. The workers may be calling groups up to buy your books according to the number on your wristband. Ticket sellers may be on the floor before bingo starts to reduce line size.**
- **The doors will be closing in between sessions for the time being. In order for us to clean properly, we need all people and belongings out of the hall. If you choose to play another session, you will need to be screened and admitted again by the next bingo group.**

- **Once capacity is met, a sign displaying NO ADMITTANCE will be placed at the door. If you see this sign, please do not ignore it and come in the hall.**
- **Social distancing stickers have been placed on the floor for the books and tickets lines. Please remember to use them.**
- **Please remember the door between the bathrooms and ticket counter is exit only. Re-enter through the entrance door. Also, social distance while outside.**
- **If you do exit, and already have a wristband for that session, you may proceed to the vestibule by the entrance door, the admittance worker will waive you through ahead of others in line who have not been admitted yet.**
- **Make sure to social distance while exiting.**
- **As a courtesy to bingo workers, please place your own garbage in a receptacle at the end of a session as opposed to leaving it on the table.**
- **If you choose not to follow the new rules after entering, you will be asked to leave.**
