

This is a public service announcement to all of our loyal bingo players.

Even though we have been implementing enhanced protocols to our cleaning and sanitizing standards, we feel due to the recent developments in our area regarding the virus that it is a difficult but safe decision to postpone our bingo sessions.

As we stress every day, we really do love all of you, and would rather you stay healthy and safe until this threat is over. A large percentage of our players fit into the high risk category, and we don't want to take a chance of our players getting sick. With this new challenge ahead of us, please realize that safety is our utmost concern. Keep washing your hands!

We will reevaluate soon. We appreciate your patience and understanding. We want to ensure all of our employees and customers stay safe. Keep checking our Facebook page for updates regarding a re-opening date.
