Our board members are expected to contribute to fundraising efforts which may include solicitation of donations and sponsorships, grant applications, in-person benefit events and more. Are you willing to participate in these activities?

Our organization's mission is to provide education, ensure access and create opportunities related to the theatrical arts. Do you have any personal experience in theater, or one of the adjacent artistic disciplines that would benefit our organization?

Our board of directors are unpaid volunteers. No compensation is given for participation on this board. Do you understand?

The board of directors is Dixon Community Theater's governing authority. It requires time commitments from all of the directors which serve on it. Directors are expected to attend monthly board meetings, serve on committee, and contribute their time to other Dixon Community Theater activities as needed. Are you willing and able to make these commitments as needed by the organization?
