

EDC RECITAL INFORMATION PACKET 2026

I cannot believe we are already preparing for our very first studio recital! This is going to be such an amazing and special show and I cannot wait to highlight and celebrate our phenomenal dancers; especially our graduating seniors! This year's recital theme is "Come Alive" as this is the year that brought our studio from dreams into reality. We have so many fun surprises for the recital including a special opening number featuring our video project made earlier in the season with our EDC Elite company members. Please make sure to read thoroughly as there is a lot of information included and as always, please reach out with any questions!

- All dancers will perform their solo, duet or trio in the pre-show starting at 5:30 PM (this is to help keep recital time down and still give underclassmen dancers the opportunity to perform their solo/duet/trio on stage for family and friends)

- All graduating seniors will perform their solos and duet/trios during the recital
- All D2E dancers will stay back stage with during the entire recital (Unless arranged w/ Erynn otherwise)
- D2E Dancers should be dropped off on show days between 5:30 - 6:00 PM (follow signs for dancer drop-off)
- D2E dancers will be picked up after the show by a designated parent/guardian (designated pick-up parent will have a pick-up pass given to them prior to recital)
- Show order will be released closer to Mid-May and will go out via email

Opening Number (EDC Elite Only)

We will play the “Trustfall” videography project to open the show but towards the end of the video, EDC Elite dancers will dance on stage with the video in the background. Dancers will wear whatever they wore for the videography project. If they no longer have this outfit, they must approve a new outfit to Erynn prior to June 1st. We will review and stage in class and set on stage with video during dress rehearsal.

Closing Number (All Dancers)

All dancers will learn their finale choreography during their classes including D2E dance class dancers. This will be the big finish to our show! We will rehearse the finale during the designated time block during rehearsal.

All D2E dancers will wear the recital t-shirt (must purchase for recital) and black shorts and EDC Elite Company members will receive an email on what to wear

D2E dancers will receive a video of the closing number choreography to practice on stage but they will have help from the older girls as well on stage!

Please make sure costumes are hung up after they are brought home and stay wrinkle free. Costume instructions will go home with the costume including hair and make-up details. Costume information will go out the week of April 13th with all details as well.
