The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with an average of 37 people (maximum of 44).

Please be prepared for the rain or snow during the winter months, as walking to our dinner restaurants may require up to 0.75 miles each way.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Due to ticket availability, the day of the Radio City Music Hall performance is subject to change.

*For the matinee Broadway performance, travelers will be provided with a selection of shows to choose from. Selection of shows is subject to change based upon availability. Actual shows available for choices will be advised approximately 80 days prior to departure and must be finalized at 50 days prior to departure. Day of the Broadway show and performance selections are subject to change. Once travelers choose show of preference, changes are not permitted. Some Broadway performances may not be suitable for children; please inquire at time of reservation.

The days and order of sightseeing may change to best utilize your time on tour.
