Our Mission

"Our mission is to continue to build the community in the face of health inequities impacting communities of color by bridging the educational awareness, policy, and outreach gaps between the community and healthcare professionals."

**EMPOWERING
HEALTH, BRIDGING
CARE: TOGETHER
FOR A BRIGHTER
FUTURE**

Scott Center for Observation, Treatment and Transition

CENTER BROCHURE

WHO WE ARE

The Scott Center for Observation Treatment and Transition (S.C.O.T.T.) is a 501(c)3 non-profit organization founded in 2022 that assists families and individuals with sickle cell disease in transitioning from pediatric to adult care and minimizing infant mortality in communities of color.

This community-based organization bridges the gap between medical professionals and patients by advocating on a medical, educational, or familial level.

Our Services

Mental Health Support and Counseling

Sickle Cell Transition Program

Support Groups

Mentorship Program

Mommy and Me Safe Sleep Classes

Educational & Community Outreach

School District Collaborations

Our Purpose

To eliminate health disparities in underserved communities

To act as a liaison among medical professionals

To remove mental health stigmas;
To reduce infant mortality in communities of color

To educate and empower our families to achieve better health outcomes.
