

MISSION TRIP INFORMATION

Thank you for inquiring about a mission trip to the Dominican Republic at the Project Ruth facilities.

The project Ruth facilities are located in La Florida a small community in the mountains northeast of San Juan de la Maguana. Our facilities include a medical clinic, church/community center, and housing for mission teams of up to 16 individuals with a kitchen/dining area. The sleeping arrangements are set up as 4 rooms with a twin over full bunkbed in each room to accommodate 2 people in each room, 1 room with 4 twin bunkbeds. Included in your trip cost, (\$650 per person plus airfare based on double occupancy at the hotel) is:

- In country transportation, to and from the airport in Santo Domingo (SDQ) and for your relaxation day prior to spending the night at the hotel near the airport
- Meals including a meal for residents of the community
- Water
- Housing at the Project Ruth facilities and at the hotel near the airport

To assist us in providing a memorable experience for your team we would like to know about your goals and expectations for your trip. Our goal is to meet your desires and wishes for your mission trip.

What type of trip are you looking for? Spiritual outreach, Medical Outreach, Construction projects, or something else?

How many people will be in your group, including the number of each gender? Will there be couples, individuals, or a mix? Are they willing to share a room at the hotel (2 per room)?

What are your projected travel dates? We suggest a minimum of 8 days, 2 of which are your travel days, leaving 5 days at our facilities and 1 relaxation day.
