

# Living in the Secret Place: How to be counseled by God

You can hear from God; He wants to talk with you. Hearing from God is easy, and your Heavenly Father wants to develop an intimate relationship with you based on transparent, honest communication.

Living in the Secret Place is a course designed to teach you how to hear from God and be counseled by God on many common heart issues.

During this workshop series, you will:

- Learn how to hear God
- Experience God's counsel

- Experience intimacy with God
- Experience transparency with God
- Understand how to have a conversation with God
- Learn how to know your role in God's Kingdom

The course consists of eleven sessions.

Each session consists of teaching, followed by listening to God and sharing what He says. You will practice hearing from God, learn how to be transparent with God about your feelings, and receive counsel from God. Students hear from God nine times during this training.

## Bill & Susan Dupley

Bill and Sue have been ministering for over 35 years, preaching and leading worship on five continents. Together they teach adults and children how to hear the voice of God. Bill and Sue believe that the supernatural should be natural and that you can impact the world for the Kingdom of God.

Bill and Sue have been associated with Catch the Fire Toronto for twenty-four years and have led worship and imparted the "Toronto Blessing" to God's family. Together they have co-authored several books, including: "Kids in Renewal," a children's Sunday school program. "The Secret Place" is a personal devotional and testimony of how God fathered Bill. "The Goal: Be Light of the world." This book describes how to be light of the world in daily practical ways. "The Challenge," a novel in which a group of men changes their town by asking themselves what Jesus would want them to accomplish.

Bill and Sue are associated with Catch the Fire and Communion with God Ministries. Susan is a graduate of the University of Toronto in Nursing Science, and Bill is a graduate of Ryerson University in Electronics Technology.
