

# Spirit-Led Leadership

The world has always been volatile. Leadership is a critical calming influence at times of volatility. As a leader, our responsibilities are to:

- Lead not just manage
- Inspire calm when things are volatile
- Inspire peace when the world is erratic

There is a great deal written on leadership today. The main reason is people enjoy leaders, they

want leaders, yet there is a shortage of leaders today.

Spirit-Led Leadership is a seminar series designed to help people become the kind of leaders their Heavenly Father wants them to be. The course is designed to help students become servant leaders. Each session consists of teaching, followed by listening to God and receiving counsel from God on topics that leaders face.

## Bill & Susan Dupley

Bill and Sue have been ministering for over 35 years, preaching and leading worship on five continents. Together they teach adults and children how to hear the voice of God. Bill and Sue believe that the supernatural should be natural and that you can impact the world for the Kingdom of God.

Bill and Sue have been associated with Catch the Fire Toronto for twenty-four years and have led worship and imparted the "Toronto Blessing" to God's family. Together they have co-authored several books, including: "Kids in Renewal," a children's Sunday school program. "The Secret Place" is a personal devotional and testimony of how God fathered Bill. "The Goal: Be Light of the world." This book describes how to be light of the world in daily practical ways. The Challenge," a novel in which a group of men changes their town by asking themselves what Jesus would want them to accomplish.

Bill also has over forty years of business experience in consulting, management, and project management. Bill was formerly the Cloud Chief Technologist for Hewlett-Packard Enterprise Canada. He has provided Hybrid IT Strategic Planning advisory and planning services to Private and Public sector clients to help them migrate to a Hybrid IT Cloud Operating model. He has led IT transformation and strategic planning teams for over 50 companies and governments worldwide and bring extensive experience in IT consulting.

Professionally, he holds a Master-Level ITIL Certification in IT Infrastructure Service Management from the British Computer Society. He is a graduate of Ryerson University, a former member of the HPE IT Global SWAT Team, and the Open Alliance for Cloud Adoption team.

Bill and Sue are associated with Catch the Fire and Communion with God Ministries. Susan is a graduate of the University of Toronto in Nursing Science, and Bill is a graduate of Ryerson University in Electronics Technology.
